Youth Pulse-The ECA Newsline

From the Principal's Desk

As this edition of 'Youth Pulse' goes to press, a new academic year has been rung in at KMV. This is my favourite time of the year as we welcome young and talented new students eager to begin the next phase of their academic journey. What can better highlight the multitude opportunities for our students to follow and explore their co-academic passions on the campus than this exhaustive newsletter. This issue of Youth Pulse showcases the heights scaled by KMV students in numerous extra-curricular and cultural activities that they participated in continuously during the last academic year on the campus as well as outside from inter-college, university and state to national level. I am extremely proud of the manifold achievements of our students who have kept the KMV banner flying high as a true representation of our legacy of being the pioneers all around. Their undeniable passion and drive has taken many different forms and has been expressed in myriad competitions, celebrations and youth festivals that they have participated in and won accolades for. It is with great optimism and a certainty of the strength of our KMV community that I look forward to the new academic year and beyond, secure in the faith that KMV legacy lives on and excited for the new frontiers we will push.

 Principal, KMV

Winners all the way

Inter-college competitions play an important role in motivating students to perform, excel, gain substantial exposure & evaluate outcomes to overcome personal shortcoming.
