6.2.3 Implementation of e-governance in areas of operation

6.2.3 Implementation of e-governance in areas of operation:

1. Administration:
 For smooth working for College Administration we implement generation of gate pass Monitor the number of visitors, Student Gate Entry/Exit System.

We implement Student Gate Entry Attendance system this is basically an android based application which helps to mark student check in and check out from the college gate.

In covid-19 college created an online form for collection of vaccination certificates from students for safe and smooth working of institution.

2. Finance and Accounts

BSIM Fee Management and Accounts Management Module is used to Creates daily Fee/ Fine Collection vouchers automatically, Enters cash and bank receipts / payments vouchers, Contra Entry Vouchers, Journal Vouchers, prints reports like cheque register, Cash Book, Day Book, General Ledger, Bank book reconciliation, Trial Balance, Income and Expenditure statements and Balance Sheet.

3. Student Admission and Support

We built an Online Admissions System; in this module students (old or new) can enroll them self in the portal and pay their fee via online methods of payment.

For student Support we create an online portal to fill feedback from online.

We also create LMS (Learning Management System) this is moodle based online Teaching web portal to teach students online.

4. Examination
BSIM Examination module allows online award entry of marks (Class Test and House Test) and makes calculation for internal marks according defined rules under Autonomy , This module is used to formation of CAR(Class Assessment Report) and also make Final results and printing of DMC (Detail marks Sheet) of Students
