ACKNOWLEDGEMENT

I have accumulated a large number of debts in preparing this project. While a brief acknowledgement here in no way writes them off, it is a small courtesy whose sentiments are sincere. I would like to extend my sincere thanks to all the people who helped me in different ways with the development of this project.

Without their continuous support and guidance, the completion of my project would have been impossible.

I wish to express my most sincere thanks to my supervisor **HOD Mrs. Sabina Batra**, B.voc. Management & Secretarial Practices Sem VI dept. for their invaluable guidance, advice, support and encouragement. I will carry out their guidance throughout my life. I am also highly indebted to all my teachers for their guidance and constant supervision as well as for providing necessary information regarding the project and also for their support in completing the project.

I shall be falling in my duties if I do not place on record my sincere thanks to all those writers and authors from whose writings I have been benefited.

At the end, I would also like to mention that this project would not have been possible but for the continuous support and guidance of my parents who gave me the strength and will to succeed.
