Report on Extra-Curricular Activities Organised by the College (2021-22)

“There are two Educations. One should teach us how to make a living and the other how to live.”

The part of Education that teaches us how to live is co-curricular activity. Education without co-curricular activities is like educating the mind without educating the soul. Co-curricular activities are the activities, through which our students explore her abilities, eradicate their weaknesses and create a broader vision of life. The importance of co-curricular activities in modern education can be fathomed but the fact that these activities have become an integral part of the curriculum policy and present life cannot be imagined without ongoing debates, recitations, music competition, dance, drama to name a few from the ever-increasing list. Our motive is encouraging our students to learn, contribute, manage, and organize individually as well as in a team.

Department Wise Competitions and Cultural Activities

S.No.	Date	Title of Activity	Organised by	Number of participants
Month of June 2021				
1.	5.6.2021	Online National Level Inter College/ Collegiate Competition on Sustainable	PG Department of Fashion Designing	150

WORLD MENTAL HEALTH DAY

Jalandhar: Kanya Maha Vidyalaya celebrated the World Mental Health Day with zeal. The celebration was organised by the PG Department of Psychology. On this occasion, a webinar was organised on the topic 'Resilience-The armour for emotional well-being'. The eminent speaker for this webinar was Dr Shilpa Suri, a positive psychology practitioner career development consultant and life skill trainer. The webinar was attended by more than 60 participants. In her inaugural address, Principal Prof Atima Sharma Dwivedi averred that mental health is essential to our overall well-being and it is as important as physical health. She further maintained that in today's stressful life, it is very important that young people should be aware about their mental health. In her speech, she explained the students about the concept of resilience in today's life. She also gave various tips to the students with the help of which they can become resilient by analysing their emotions, strength and potentials, how to gather more skills and courage to face stressful situations of life positively and also seek support and find solutions.

के.एम.वी. में मनाया गया विश्व मेंटल हेल्थ दिवस

● छात्राओं ने रेसिलियंस-दी आर्म्ड फॉर इमोशनल वेल बींग विषय पर हासिल की जानकारी

जालंधर, 9 अक्टूबर (कुश): भारत की विरासत एवं अटोर्नॉमस संस्था कन्या महाविद्यालय के पोस्टग्रेजुएट डिपार्टमेंट ऑफ साइकोलॉजी द्वारा विश्व मेंटल हेल्थ दिवस पर जोरा एवं उत्साह के साथ मनाया गया। इस अवसर पर रेसिलियंस-दी आर्म्ड फॉर इमोशनल वेल बींग विषय पर वीडियो का आयोजन करवाया गया जिसमें डॉ. शिल्पा सुरी, कंसल्टेंट साइकोलॉजिस्ट एवं ट्रेनर, प्लेनेट साइकोलॉजी, चंडीगढ़ ने खूब खूब बातें साझा कीं। 60 से भी अधिक प्रतिभागियों की हिस्सेदारी के साथ डॉ. शिल्पा ने संक्षेप में बताया कि विश्व को विश्वास सहित परिभाषित करने के साथ-साथ लक्ष्य के विभिन्न पहलुओं पर भी प्रकाश डाला। इसके साथ ही उन्होंने छात्राओं के साथ जीवन में लक्ष्य को बनाने के लक्ष्य एवं चुनौतियाँ साझा कीं।

इसके अलावा वीडियो के दौरान प्रतिभागियों द्वारा पूछे गए विभिन्न सवालों के जवाब भी दिए। इसके साथ ही संक्षेप में विश्व मेंटल हेल्थ दिवस के महत्व को दर्शाते हुए छात्राओं ने खूबसूरत पोस्टर बनाकर अपनी कलात्मक कृतियों का प्रदर्शन किया। विद्यालय प्रिंसिपल प्रो. अतिमा शर्मा द्विवेदी ने डॉ. शिल्पा द्वारा छात्राओं को विषय की महत्वपूर्ण जानकारी प्रदान करने पर आभार व्यक्त करते हुए मानसिक सेहत के किसी भी इंसान के जीवन में महत्व को बयान किया और कहा कि व्यक्ति के समूचे कल्याण में मानसिक सेहत शारीरिक तंदुरुस्ती की तरह ही जरूरी है। इसके साथ ही उन्होंने इस सम्मेलन आयोजन के लिए डॉ. प्रतिमा, डॉ. शरणीनी एवं समूह साइकोलॉजी विभाग द्वारा किए गए प्रयासों को प्रशंसा की।

Sweep Club, Electoral Literacy Club, Red Ribbon Club, NSS And the Department of Political Science along with 36 Jalandhar North organised activities like Poster Making, Slogan Writing, Essay Writing, Power Point Presentation etc. dedicated to Voters Day. Apart from this a poster making activity related to Republic Day was conducted by the Post Graduate Department of Fine Arts. Students in their activities presented their views on social construction, gender equality, national unity, integrity, security, development of science and technology, importance and necessity of voting etc. Principal Prof. Atima Sharma Dwivedi congratulated all on the occasion of Republic Day and averred that along with the Fundamental Rights enshrined in the Constitution of India, we must strictly abide by the Fundamental Duties. She also appealed to all citizens to choose the right government with their precious vote, explaining the importance of voting.

Month of February

Name of Activity: Painting of T-shirt, mask and caps in collaboration with 36 North Sweep Jalandhar

Department: Department of History

Organized by: in collaboration with 36 North Sweep Jalandhar

Date: 1.2.2022 to 5.2.2022

Description:

Painting of T-shirt, mask and caps in collaboration with 36 North Sweep Jalandhar

[Kanya Maha Vidyalaya](#) (Autonomous) always keeps on organising various activities in order to motivate the students to fulfil their social responsibilities. In this direction, citizens were made aware of voting rights by 36 SVEEP volunteers from KMV. In which students painted t-shirts, masks, caps on the topic of Ethical Voting was also organised by the students in view of the Punjab Assembly elections & the recording of which was also broadcasted by Doordarshan Jalandhar Kendra. Principal Prof. Atima Sharma Dwivedi averred that it is the responsibility of all the citizens to exercise our voting right and to choose the right government by using our vote wisely so that positive steps can be taken towards the development of our country.

Name of Activity: Anubhuti (A Student: Student mentoring program)

Department: P.G. Department of Chemistry and Physics

Date: 4.2.2022

Description:

Anubhuti-Student-Student mentoring“ANUBHOOTI-2021”

P.G. Department of Chemistry and Physics, KanyaMaha Vidyalaya, Jalandhar organized Student- Student Mentoring Workshop-“ANUBHOOTI-2021” for all science students on 1st December, 2021. Under this program undergraduate science students were given a platform to present their concept based innovative experiments and projects that they have designed under DBT star college scheme. Department of Sciences, Kanya Maha Vidyalaya, Jalandhar organizes this unique kind of workshop annually. To motivate students to develop critical and analytic thinking, different innovative projects made by senior science students were exhibited. Mentoring makes students better and effective listeners. This in turn develops their leadership skills and capabilities. For the mentee (junior student) it is easy to trust someone who has faced similar thoughts, queries and challenges, and learn how they overcame those situations. Students demonstrated the working of different instruments like rota evaporator, conductivity meter, UV-Vis spectrometer and many more to junior students and told them about its working and applications. Students showcased their projects like air cooler, Laser show, matchbox microphone, Rocket water bottle and many more. Students have developed as well as showcased touch less hand sanitizing machine which will be installed in the entrance of their class rooms. The participants participated with full enthusiasm and zeal. Through this workshop creative talent of the students was explored and they were able to think outside of the box. This workshop has developed a scientific spirit and curiosity among students which in turn drove them to think and creatively find solutions to the challenges.

Name of Activity: E-poster Competition (World Cancer day)

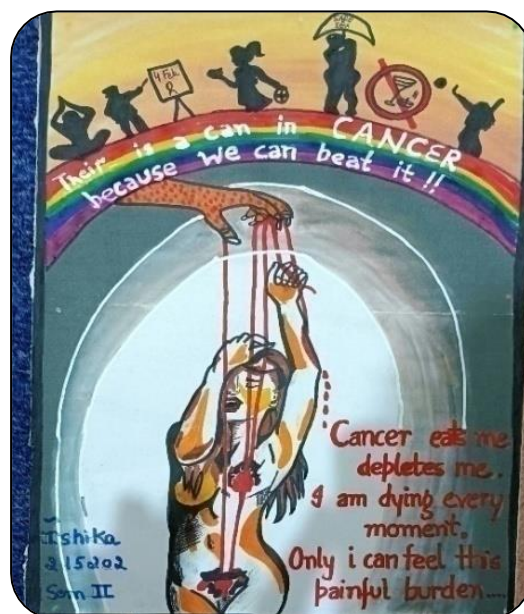

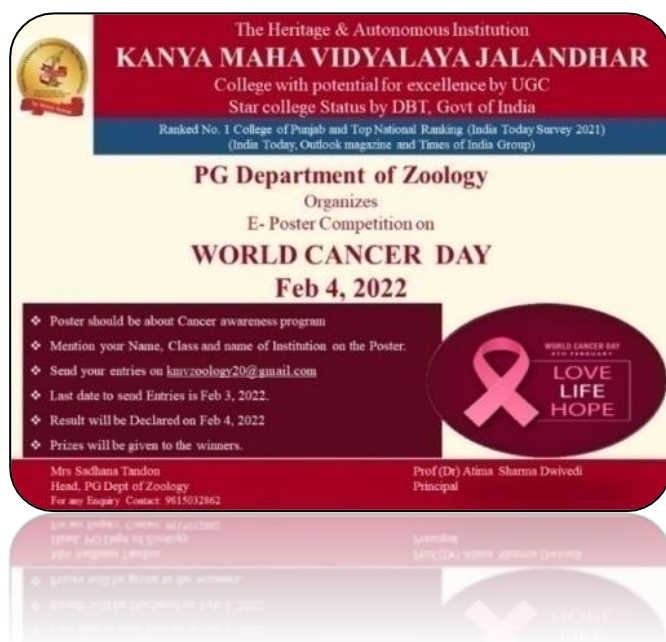

Department: PG Department of Zoology

Date: 4.2.2022

Description:

E-poster Competition (World Cancer day)

Department: PG Department of Fine Arts

Date: 5.2.2022

Description:

Basant Panchmi celebrations

Kanya Maha Vidyalaya (Autonomous) celebrated the festival of Basant Panchmi with full zeal and enthusiasm. On this occasion, students of PG Department of Fine Arts prepared beautiful posters depicting the history & significance of this festival in everyone's life.

Name of Activity: National level online quiz to celebrate "National Periodic Table Day-2022"

Department: PG Department of Chemistry

Date: 7.2.2022

Description:

National level online quiz to celebrate "National Periodic Table Day-2022"

PG Department of Chemistry, KanyaMaha Vidyalaya (The Heritage and Autonomous Institution), Jalandhar organized an online quiz to celebrate "National Periodic Table Day-2022" to pay tribute to the chart pasted in science classrooms that saved us from flunking high school chemistry. This day celebrated as first table of elements of periodic table published on 7th February, 1863. Total 2000 students participated in periodic table based online quiz from all over India and received e-certificates.

Name of Activity: Musical Tribute To Padam Shree Lata Mangeshkar Ji

Department: PG Department of Performing Arts

Date: 10.2.2022

Description:

Tribute to Nightingale of India- Lata Mangeshkar ji

Kanya Maha Vidyalaya (Autonomous) paid a heartfelt tribute to the Nightingale of India- late Lata Mangeshkar, a famous and great personality of music world. During the special program organised by the PG Department of Performing Arts, Prabhdeep Kaur, a student of MA Music (Vocal) Semester II, paid homage by singing Lata ji's very popular song 'Meri Awaaz Hi Pehchan Hai'. Apart from this the instrumental music teacher Mr. Varinder Singh Channa also performed Lata ji's song through sitar and refreshed her memory in the minds of everyone. At the same time Lata ji's song 'Mera Saaya Saath Hoga' sung by Ms Bhupinder Kaur & Nagma player Sri Abhay Kumar Bagga brought tears in everybody's eyes. Principal Prof. Atima Sharma Dwivedi described the death of Lata Mangeshkar as an unforgettable loss to the music world. She averred that even though she is not physically with us but her songs will always remain in our hearts. Madam Principal lauded the efforts of Dr Poonam Sharma, Dean, PG Department of Performing Arts, for successfully organising the event. Dr Madhumeet, Dean, Department of Student Welfare & Mr Yogeshwar Hans, Head, PG Department of Fine Arts were also present on the occasion.

Date: 10.3.2022

Description:

INNOVESTA-2021

Kanya Maha Vidyalaya, Jalandhar an autonomous and heritage institution has always stressed upon innovations in science education for enabling smart and inclusive growth of students. P.G. Department of Physics, Kanya Maha Vidyalaya, Jalandhar is constantly working in the directions of imparting science education through innovative teaching methodologies. P.G. Department of Physics inculcates scientific temperament among students and also supports them to showcase their innovative ideas at competitive level. Recently six students of Kanya Maha Vidyalaya, Jalandhar have participated in INNOVESTA-

2021 organised by Dr. B.R Ambedkar National Institute of Technology in the online mode. Dr. Dipan Sahu, Asst. Innovation Director, MoE's Innovation Cell, AICTE Government of India has graced the event as a chief guest of the event. This mega event witnessed huge participation of around 80 teams from various institutes of repute across the globe. Young innovators from different countries like France, Austria, South Korea, Utah, Bangladesh, Nepal and India participated in the event. KMVites have also showcased their unique and innovative ideas in this event. Students have developed an automatic machine of hand sanitizer, touch less switches and have also constructed a project on stagnant waste water problem. To resolve the problems existing in the society, P.G. Department of Physics have motivated as well as supported students to develop these ideas. In the on-going time of pandemic, students have realized the need of frequent sanitization. With this objective students have developed touchless hand sanitizing machine which will be installed in the entrance of their class rooms. Further a prototype of

INNOVESTA-2021

PG Department of Physics of Kanya Maha Vidyalaya (Autonomous) stresses upon innovations in science education for enabling smart and inclusive growth of students. Six students participated in INNOVESTA- 2021 organised by Dr BR Ambedkar National Institute of Technology. Dr Dipan Sahu, Assistant Innovation Director, Minister of Education's Innovation Cell, Government of India was the chief guest of the event. KMVites showcased their unique and innovative ideas in this event as they have developed an automatic machine of hand sanitiser, touchless switches and have also constructed a project on stagnant waste water problem. Students have also developed an automatic sensor system which will work on three different modes depending on level of stagnated water. Further the drained water will be stored and utilised for other purposes after treatment. Students have presented their work by giving Power Point presentation as well as demonstrating their work. Principal Prof Atima Sharma Dwivedi lauded the efforts of students of P.G. Department of Physics.

touchless switches and touchless attendance system has been developed with an objective that students while entering or leaving the class room can turn lights and fans ON/OFF without even touching switches and can get themselves sanitized too. Attendance of students will be automatically marked by just passing across the switch. Students have presented their work by giving powerpoint presentation as well as demonstrating their work. Judges of the event were very impressed by the work of students and have even encouraged them to get these ideas patent. Cash prize of Rs. 1000/- was awarded to our students.

TOYCATHON-2021

Three students of Kanya Maha Vidyalaya, Jalandhar, an autonomous and heritage institution have designed a Bluetooth controlled car model. The idea behind this project is to visualize the futuristic driverless car with essential safety features as the future of roads. Just an oral or a written command to the vehicle interface will take us to our destination. This innovative idea of students of Kanya Maha Vidyalaya, Jalandhar has got selected in TOYCATHON-2021. Under the 'AatmaNirbhar Bharat Abhiyan' initiated by our Hon'ble Prime Minister, Shri. Narendra Modi,

Toycathon-2021 is conceived to challenge India's innovative minds to conceptualize novel Toy and Games based on Bharatiya civilization, history, culture, mythology and ethos. Toycathon 2021 is an inter-ministerial initiative organized by Ministry of Education's Innovation Cell with support from All India Council for Technical Education, Ministry of Women and Child Development, Ministry of Commerce and Industry, Ministry of MSME, Ministry of Textiles and Ministry of Information and Broadcasting. Toycathon 2021 is a unique opportunity for Students, Teachers, Start-ups and Toy experts/professionals in India to submit their innovative toys/games concepts and win large number of prizes worth Rs. 50 lakhs.

Institution's Innovation Council (IIC) at Kanya Maha Vidyalaya, Jalandhar encourages young talented minds to participate in innovative initiatives by providing them a perfect platform for showcasing their talents, working together as teams and participate in various competitions.

Disha-2022- Smart India Hackathon – 2022

Kanya Maha Vidyalaya, Jalandhar an autonomous and heritage institution has always stressed upon innovations in science education for enabling smart and inclusive growth of students. Department of Sciences Kanya Maha Vidyalaya, Jalandhar in association with KMV's Institution Innovation Council is constantly working in the directions of imparting science education through innovative teaching methodologies.

Department of Sciences inculcates scientific temperament among students and also supports them to showcase their innovative ideas at competitive level. In this regard an inter-department hackathon named "Disha -2022" was organized on March 10, 2022. Hackathon was organized to boost the innovation culture among budding innovators and to further establish the idea-sharing, effective collaboration and creativeness driven by enthusiasm towards a shared goal. Disha- 2022 witnessed wide physical participation of 25 teams comprising more than 150 participants from the institution. Hackathon pooled various innovative ideas to solve several society based problems like Disposal of used masks, Laser Security, Power crisis, touchless sanitizers, touchless attendance systems etc.

All these activities have galvanised the hidden talent of students, built up their confidence, created awareness and enabled them to face future challenges of the world. Disha 2022 has encouraged students to innovatively think about the future, to tackle all the present issues that the world is facing and also suggest solutions through creative ideas and imagination. Our students have put efforts to develop a kit for detoxifying the effect of Ethidium bromide which is used in Agraose gel electrophoresis while working in recombinant DNA laboratories. So by using this kit we can overcome direct disposal of EtBr containing gels into the environment. This exercise has increased passion for Science among the masses. The aim was to develop adaptable, creative and motivated individuals who can take responsibility for their own learning and also work effectively in team for the betterment of the society. Overall, Hackathon has got enthusiastic all round participation, raising the creativity barometer to new heights.

Department: P. G. Department of Botany

Date: 10.3.2022

Description:

Book review and self-composed poem recitation

Kanya Maha Vidyalaya, Jalandhar an Autonomous and Heritage institution has always stressed upon inculcating reading habits in the students to keep their minds young, healthy and sharp. [Book](#) coaches one's imagination to think big. Following the same idea VIPNET club in collaboration with student welfare department of Kanya Maha Vidyalaya organized a Book review and self composed poem recitation completion on March 11, 2022. Students showed tremendous interest and enthusiasm for the competition. Participants reviewed books like How to win friends and influence people, Alchemist, Anna Karenina and Ask me Anything. Judges were very impressed by the participants and had a very difficult time choosing the winner. Harmandeep and Shruti were given first prize for book review; Navneet bagged second position in the same category. In the self composed poem recitation category students presented their own work. In poem recitation Beenu was awarded with first prize for her poem "Mathematics" and second prize was awarded to Malika for poem "Blue and Grey". All the winners/eligible participants were given certificates of appreciation/participation.

Description:

Ganit Manthan 2022

PG Dept of Mathematics, Kanya Maha Vidyalaya, Jalandhar organized online Inter College competition GANIT MANTHAN-2022 to commemorate the Celebration of *INTERNATIONAL DAY OF MATHEMATICS* and *BIRTH ANNIVERSARY OF FOUNDER FATHER (SWAMI BHARATI KRISHNA TIRTHA JI) OF VEDIC MATHEMATICS* on March 14, 2022 (Pi Day 3.14). The students presented their concepts through e-collage on Vedic Mathematics, slogan on Pi and Mathematical Dance. More than 30 students from various colleges of India including Tamil Nadu, Andhra Pradesh, Maharashtra, and Punjab participated in this online competition with full enthusiasm. Three events Mathematical dance, e-collage on Vedic Mathematics and slogan writing on Pi were organised to inculcate the interest in Mathematics among students. Students depicted effectively the application of Sutras of Vedic Maths in Arithmetic Calculation, Computer Architecture, Digital Signal Processing and Chip designing. They beautifully presented rhythmic slogan to show application of Pi in daily life. Some students performed Mathematical dance to show arithmetic operations, mathematical symbols and different graphs of a mathematical function.

कएमवी में गणित मंथन-2022 का आयोजन मैथमेटिकल डांस प्रतियोगिता में तानिया फर्स्ट, मुस्कान सेकेंड

Description:

Tree Plantation Drive

P.G. Department of Chemistry organized environmental awareness drive on Tree Plantation at Government Senior Secondary School, PAP Jalandhar on 16th March, 2022 with the aim to create awareness among the masses regarding endangered ecosystems and the climate crisis as a result of deforestation. Under the able guidance of Dr. Manju Sahni and Dr. Narinderjit Kaur, team Chemistry Ninjas interacted with the 65 students and 10 faculty members. They gave presentation on the role of trees in our life and encouraged the students to plant more trees and take care of their plantations thereafter. KMV Team planted the various saplings in the school garden. At the end Dr. Narinderjit Kaur thanked the audience for showing their keen interest in this drive and said that every day should be treated as Van Mahotsav and plants should be grown to keep the environment green, clean, safe and healthy as well as to maintain the ecological balance and to promote and protect the green cover in the Country.

Kanya Maha Vidyalaya (Autonomous) celebrated the festival of Holi with full zeal and enthusiasm. A special program was organised on this occasion in which Principal Prof. Atima Sharma Dwivedi was the chief guest. During her address, where she wished everyone a very happy Holi also encouraged the students to keep filling colours of happiness in themselves and in their lives. It is noteworthy that during this program, songs related to the festival were also presented by the teachers and students of the music department. Apart from this, where the students of the dance department of the school captivated everyone with their dance performances, the face painting based on Holi by the students of the cosmetology department was also the centre of special attraction. Along with this, stalls of delicious dishes were also set up during the program and apart from this, a selfie station by the PG Department of Journalism and Mass Communication also attracted everyone. Moreover, as well as stalls by the Department of Retail Management & Department of Fine Arts were also decorated. Students made the moments of their life memorable while celebrating this festival by singing & dancing.

Tree plantation drive

P. G. Department of Economics of Kanya Maha Vidyalaya has organized a tree Plantation camp under Social Outreach Programme at Guru Nanak Mission Public School in Village Dalla, Bhogpur (Jal.) on 22nd April, 2022. The students of B.Sc. (Eco.) Sem-IV have participated in tree Plantation camp. They have planted various kinds of fruit plants like Mango, Pomegranate, Jamun, Banana etc., medicinal plants like Neem, Amla and, seasonal and decorative plants and also explained the benefits of these plants to school students. The students of B.Sc. (Eco.) interacted with school students and made them aware about many environmental issues like deforestation, soil erosion, air pollution and global warming. They are informed about how to combat with these issues through the tree plantation which will enhance the beauty and ecological balance of environment. The students of the school are also acquainted with these issues and role of tree plantation through the charts. They are encouraged to plant more trees and take care of these trees daily to keep the environment safe. The Principal 'S. Bikram Singh Saini' of Guru Nanak Mission Public School appreciated the efforts of KMV students to promote environment welfare and assure that the students of school campus shall look after these plants planted by KMV students.

Name of Activity: World Earth Day Celebrations (Posters, Slogans and Rangoli)

Department: Department of Environment sciences and NCC

Date: 22.4.2022

Description:

World's Earth Day Celebrations

To raise awareness about the environment and the global commitment to make the planet better P.G Department of Physics, Kanya Maha Vidyalaya, Jalandhar in association with KMV IIC organized World's Earth Day on April 22, 2022. Earth Day is celebrated around the world in different ways, but with the overall theme of creating awareness and educating people about preserving our resources. In Kanya Maha Vidyalaya, Jalandhar event started with the distribution of plants by NCC cadets with objective to spread the message of growing more trees. Event was then proceeded with presentations followed by discussions by KMViets to emphasis the alarming need to save the mother earth. Students elaborated that climate change will have a dramatic effect on natural environments, plants and animals, leading to acceleration in biodiversity loss in some areas. The impacts will have knock-on effects for many communities and sectors that depend on natural resources, including agriculture, fisheries, energy, tourism and water. Presentations were supported with videos based on environmental challenges. Presentations were followed by choreography based on the theme of Save Earth, Save future. Choreography was very well performed and message was clearly stated by students. Further students from all the streams expressed their views on Earth day by preparing posters, Slogans and Rangoli. Event witnessed more than 80 entries for poster making, 10 for Rangoli making and 30 Slogan Writing. Event has got enthusiastic participation from mentee institution Government College, Ropar also.

के.एम.वी. में बेस्ट आउट ऑफ वेस्ट प्रतियोगिता द्वारा छात्राओं ने अपनी कलात्मक सुझ-बुझ को किया पेश

जालंधर,
23 अप्रैल
(कृष्): कन्या
महाविद्यालय
के होम साइंस
विभाग के द्वारा
छात्राओं के
लिए 'बेस्ट
आउट ऑफ
वेस्ट'
प्रतियोगिता का
आयोजन
करवाया गया।

फालतू पड़े सामान के उचित उपयोग को दिखाने के मकसद के साथ प्रतियोगिता में हिस्सा लेते हुई छात्राएं। (संदीप)

छात्राओं में इनोवेशन को पैदा करने उनकी प्रतिभा एवं सुझ-बुझ को एक सकारात्मक मार्ग प्रदान करने के साथ-साथ फालतू पड़े सामान के उचित उपयोग को दिखाने के मकसद के साथ आयोजित इस प्रतियोगिता में छात्राओं ने पूरे जोश एवं उत्साह के साथ भाग लेते हुए अपनी सृजनात्मकता एवं कलात्मक सुझ-बुझ को बाखूबी प्रदर्शित किया।

इस प्रतियोगिता में बी.एस.सी. होम साइंस सैमेस्टर-6 की छात्रा नीलमबरा ने पहला स्थान हासिल किया। विद्यालय प्रिन्सीपल प्रो. अतिमा शर्मा द्विवेदी ने छात्राओं को मुबारकबाद देते हुए कहा कि ऐसे आयोजन जहां छपी हुई प्रतिभा एवं कला को एक उत्तम मंच प्रदान करने में सहायक साबित होते हैं वहीं साथ ही फालतू पड़े हुए सामान के उचित उपयोग के लिए भी एक अच्छा मार्ग मुहैया करवाते हैं। इस के साथ ही इस सफल आयोजन के लिए उन्होंने नीतू कपूर, अध्यक्ष, होम साइंस एवं समूह अध्यापकों के द्वारा किए गए प्रयत्नों की भी प्रशंसा की।

आज हमारे देश में 'बेस्ट आउट ऑफ वेस्ट' प्रतियोगिता का आयोजन करने का उद्देश्य है कि हमारे देश में जो लोग फालतू सामान को फेंक देते हैं, वे इसे अपने उपयोग में ला सकें। इससे हमारे देश में पर्यावरण को बचाने में मदद मिलेगी। इस प्रतियोगिता में छात्राओं ने अपनी सृजनात्मकता एवं कलात्मक सुझ-बुझ को बाखूबी प्रदर्शित किया।

Description:

Literary Fest : Youth display creativity(Litmania)

At Kanya Maha Vidyalaya (Autonomous), a festival titled Litmania- An Ode to Creativity celebrating literature and the finer sensibilities of the life was organized by the P.G Department of English. Sh. Chander Mohan, President, Arya Shiksha Mandal graced the occasion as the Chief Guest. Principal Prof. Atima Sharma Dwivedi welcomed all the guests and the participating teams warmly. She averred that humanity today needed emotional intelligence, spiritual sensibility and moral self development as much as technical expertise which literature would help to inculcate. She further maintained that KMV from time to time keeps on organizing such activities which inspire the students to showcase their creative skills. Addressing the participants, Sh. Chander Mohan said that today's youth needs to connect with the literature and the programmes like Litmania prove to be instrumental in this objective. These kind of events connect the students with the beautiful world of literature and enhances their power of imagination. The event commenced with the lighting of the Holy Lamp. A special item titled Literary Parade was the first item on the stage in which the students of KMV walked the stage with the enactment of their favorite literary characters. It seemed like all the favorite literary figures came to life as they jumped off the page and seemed to be real. Some of the notable figures worth mentioning during the parade were Sarojini Naidu by Sakshi, Preeti Shenoy by Bhumika, Shobha De by Muskan, Snow White by Kritika, Cinderella by Nivedita, Romeo by Jasmeet, Sherlock Homes by Navroop & Cleopatra by Himanshi, The Inter College list of competitions on the occasion based on English literature included Calligraphy, Literary Characters Come Alive, Portrait Making, Poetical Recitation, Quiz & Turn Coat. Contestants from 25 different colleges & universities across Punjab and Chandigarh participated in this unique festival with full zeal & enthusiasm.
