The Heritage Institution **KANYA MAHA VIDYALAYA (Autonomous)** **KMV SPORTS NEWSLINE**

Dedicated to the Spirit of True Sportsmanship

From the Principal's Desk

It gives me immense pleasure to pen a word for Sports Newslane—the annual news journal of KMV which showcases the exceptionally laudable ventures of our budding as well as outstanding sportswomen. Here at KMV—an institution sui generis—we not only provide world-class opportunities to our sportswomen but also hone their latent skills and talents which elicits excellent results. The vibrant campus replete with robust sports culture nurtures sportswomen who display extraordinary brilliance in sports arena as well as in curricular and extra curricular activities. Over the 138 glorious years of forging new pathways for the young women, KMV has strenuously striven for the holistic development of our pupils leading them to empowerment and emancipation. Creating benchmarks, KMV has joined the higher league of colleges and caeved a niche for itself internationally too. Heritage Status, Autonomous Status, Star College Status and top Rankings in Survey by India Today, Times of India and Outlook Magazines are some coveted titles which this trailblazing institution has received by dint of its exceptional excellence and unparalleled standards. Undeniably “Success is counted sweetest” but what I deem to be of much more significance is to have sportsmanship and the spirit to take part in healthy competitions, with zeal, aplomb and felicity. Sports definitely help to develop a healthy attitude towards life and build strength to face challenges with courage and positive attitude. We teach our pupils to compete with themselves and better themselves first and success will be the inevitable corollary. I have the conviction that with gaze set high and feet firmly grounded we can accomplish hitherto insurmountable targets. At this juncture, it is opportune for me to salute the spirit of sportsmanship—the hard work, commitment, discipline, dedication, steadfast resoluteness, single-mindedness, pluck, grit, perseverance and sweat which go behind the making of a sportsperson. May the torch of a true sportsman with indomitable spirit all set to take on formidable challenges, always remain aloft and bright. Amen!

Kudos to Sportsmanship!
