Activity 7: Empathy Corner

Set up Empathy Corner outside the college gate. The main motive was to inculcate the sentiments of empathy towards the under privileged among the students through donation of clothes, shoes, utensils & toys etc. Following the Indian tradition of 'Gupt Daan Maha Daan' the students don't get to know who are the beneficiaries of the things donated by them taking away any sentiment of pride in them. All the departments, faculty and students have worked enthusiastically to make it a success. Each department of the college with their student volunteers take turns to run the corner. This initiative of the college has been appreciated by the residents of the area. The labor, rickshaw pullers and other needy people flock to the empathy corner every day.

All the Departments with their Students Actively Run this Empathy Corner
