

SOCIAL OUTREACH REPORT 2023-2024

CRITERIA 3.6.1, 3.6.2 and CRITERIA 3.6.4

Session (2023-24)

Kanya Maha Vidyalaya, Jalandhar City

(An Autonomous College)

Submitted by

Dr. Monica Sharma (Dean Social Outreach)

Ms. Ritu Kashyap (Coordinator Social Outreach)

Kanya Maha Vidyalaya (Autonomous), Jalandhar

Session: 2023-24

3.6.1 Extension Activities carried out in the neighborhood sensitizing students to social issues for their holistic development and the impact thereof during the year

For more than a century, Kanya Maha Vidyalaya has not only strived for expanding the landscape of learning but also making a meaningful contribution in the upliftment of the society. Epitomizing and synthesizing old values with modern education, KMV students have a heightened awareness of their productive role in the society. Since its inception, KMV has shaped the destiny of the nation, the society and women through incredible contribution that was not only confined to the sphere of higher education but encompassed the moral, social and cultural fabric of our nation. Through its various programmes KMV has reached out to the people not only in the city but also villages in the district. KMV has initiated Social outreach as a compulsory value added programme for all the students of semester IV, where in the students are encouraged to take up projects in their vicinity with a motive to inculcate a sense of duty and selfless service among them. In this session 413 students were required to take up projects under the broad themes of Environmental Protection & Sustainability, Literacy programmes, Science awareness, Food adulteration camps, running empathy corners in villages, vocational training and training camps in villages, visits to Old age homes, orphanages and Pingalwaras and working with NGOs and Municipal Corporation, Jalandhar. Students also performed Nukkad Nataks in Villages on Various Issues and Made Short Films to create awareness which were uploaded on YouTube. Through these programmes KMVites have made a remarkable Contribution to the Society.

ਟੂਥਪੇਸਟ, ਬੁਰਸ਼ ਸਾਬਣ, ਨੈਪਕਿਨ ਤੇ ਹੋਰ ਜ਼ਰੂਰੀ ਚੀਜ਼ਾਂ ਆਦਿ ਸ਼ਾਮਲ ਸਨ ਨੂੰ ਇਕੱਠਾ ਕੀਤਾ। ਇਕੱਤਰ ਕੀਤੀ ਸਾਰੀ ਸਮੱਗਰੀ ਨੂੰ ਕਾਲਜ ਵੱਲੋਂ ਜ਼ਿਲ੍ਹਾ ਪ੍ਰਸ਼ਾਸਨ ਨੂੰ ਸੌਂਪ ਦਿੱਤਾ ਗਿਆ ਤਾਂ ਜੋ ਸਮੇਂ ਸਿਰ ਲੋਕਵੰਦਾਂ ਤੱਕ ਪਹੁੰਚਾਇਆ ਜਾ ਸਕੇ। ਪ੍ਰਿੰਸੀਪਲ ਸਾਹਿਬਾ ਨੇ ਇਸ ਮੁਹਿੰਮ ਨੂੰ ਸਫਲਤਾਪੂਰਵਕ ਨਪਰੇ ਚਾਰੂਨ ਲਈ ਡਾ. ਮਹੁਮੀਤ, ਡੀਨ, ਸਟੂਡੈਂਟ ਵੈਲਫੇਅਰ, ਡਾ. ਮੋਨਿਕਾ ਸ਼ਰਮਾ, ਡੀਨ, ਸੋਸ਼ਲ ਆਊਟਰੀਚ ਤੇ ਸਮੂਹ ਮੈਂਬਰਾਂ ਵੱਲੋਂ ਕੀਤੇ ਗਏ ਯਤਨਾਂ ਦੀ ਸ਼ਲਾਘਾ ਕੀਤੀ।

KMV Contributes a Load of Relief Material for Punjab Floods under KMV Relief Drive

Jalandhar-
Zenith Lehal

Kanya Mahila Vidyalya (Autonomous) is a heartening show of empathy launched KMV Relief Drive for the flood affected people in Punjab. The drive was launched by Department of Social Outreach & Department of Student Welfare. Relief material contain-

ing various consumable items like rice, wheat, refined oil, sugar, tea, toothpaste, soap, combs and other important things for the flood victims were contributed by the college. College teachers as well as students under the leadership of Principal Prof. Atima Sharma Dwivedi collaborated together for this contribution. All the relief

items were handed over to the district administration by the college so that the material could be provided to the victims at earliest. Principal Prof. Atima Sharma Dwivedi emphasized that in this time of crisis we should all understand our responsibilities and should stand together for the people who are facing major crises in

Punjab. She further maintained that we should all join hands together in bringing hope & smiles back for Punjab flood hit areas. Madam Principal launched the efforts done by Dr. Monica Sharma, Dean, Social Outreach & Dr. Muskhmeeta, Dean, Student Welfare Department for launching the drive successfully.

ਹੜ੍ਹ ਪ੍ਰਭਾਵਿਤ ਇਲਾਕਿਆਂ ਲਈ ਰਾਹਤ ਸਮੱਗਰੀ ਭੇਜਦੇ ਹੋਏ ਪ੍ਰਿੰਸੀਪਲ ਪ੍ਰੋ. ਅਤਿਮਾ ਸ਼ਰਮਾ ਦਿਵੇਦੀ ਤੇ ਹੋਰ ਅਧਿਆਪਕ।

ਕੋਐਮਵੀ ਵੱਲੋਂ ਪੰਜਾਬ 'ਚ ਹੜ੍ਹ ਪੀੜਤਾਂ ਲਈ ਯੋਗਦਾਨ ਜਾਰੀ

ਸੀਨੀਅਰ ਸਟਾਫ਼ ਰਿਪੋਰਟਰ, ਜਲੰਧਰ : ਕੋਐਮਵੀ ਹਮੇਸ਼ਾ ਹੀ ਸਿਖਿਆ ਦੇ ਨਾਲ-ਨਾਲ ਸਮਾਜਕ ਸੇਵਾਕਾਰਾਂ 'ਚ ਸ਼ਹਰੀ ਰਿਹਾ ਹੈ। ਇਸ ਤਹਿਤ ਕਾਲਜ ਦੀ ਪੰਜਾਬ ਦੇ ਹੜ੍ਹ ਪੀੜਤਾਂ ਦੀ ਮਦਦ ਲਈ ਅੱਗੇ ਆਇਆ ਹੈ। ਇਸ ਉਦੇਸ਼ਪੂਰਨ ਸਮੇਂ ਦੌਰਾਨ ਕੋਐਮਵੀ ਵੱਲੋਂ ਪੂਰੀ ਰਾਸ਼ਟਰੀ ਨਾਲ ਯੋਗਦਾਨ ਲਗਾਤਾਰ ਜਾਰੀ ਹੈ। ਸੰਸਥਾ ਦੇ ਸੋਸ਼ਲ ਆਊਟਰੀਚ ਵਿਭਾਗ ਤੇ ਸਟੂਡੈਂਟ ਵੈਲਫੇਅਰ ਵਿਭਾਗ ਵੱਲੋਂ ਸਾਡੇ ਤੌਰ 'ਤੇ ਕੋਐਮਵੀ ਰਾਹਤ ਮੁਹਿੰਮ ਚਲਾਈ ਗਈ, ਜਿਸ ਤਹਿਤ ਪ੍ਰਿੰਸੀਪਲ ਪ੍ਰੋ. ਅਤਿਮਾ ਸ਼ਰਮਾ ਦਿਵੇਦੀ ਦੀ ਅਗਵਾਈ 'ਚ ਕਾਲਜ ਅਧਿਆਪਕਾਂ ਤੇ ਵਿਦਿਆਰਥਣਾਂ ਨੇ ਹੜ੍ਹ ਪੀੜਤਾਂ ਲਈ ਜ਼ਰੂਰੀ ਵਸਤਾਂ, ਜਿਨ੍ਹਾਂ 'ਚ ਕੱਪੜੇ, ਜੁੱਤੀਆਂ, ਬੈਂਡਸੀਟਾਂ, ਨਿੱਜੀ ਸਫਾਈ ਦੀਆਂ ਵਸਤੂਆਂ, ਸੋਟ ਲਈ ਮੈਟ, ਤੌਲੀਏ, ਚੱਪਲ, ਚੋਲ, ਦਾਲਾ, ਆਟਾ, ਚੀਨੀ, ਰਿਫਾਇੰਡ, ਤੇਲ, ਟੂਥਪੇਸਟ, ਬੁਰਸ਼ ਸਾਬਣ, ਨੈਪਕਿਨ, ਤੇ ਹੋਰ ਜ਼ਰੂਰੀ ਚੀਜ਼ਾਂ ਆਦਿ

ਇਕੱਠਾ ਕੀਤਾ। ਇਕੱਤਰ ਕੀਤੀ ਸਾਰੀ ਸਮੱਗਰੀ ਨੂੰ ਕਾਲਜ ਵੱਲੋਂ ਜ਼ਿਲ੍ਹਾ ਪ੍ਰਸ਼ਾਸਨ ਨੂੰ ਸੌਂਪ ਦਿੱਤਾ ਗਿਆ ਤਾਂ ਜੋ ਸਮੇਂ ਸਿਰ ਲੋਕਵੰਦਾਂ ਤੱਕ ਪਹੁੰਚਾਇਆ ਜਾ ਸਕੇ। ਇਸ ਸੰਬੰਧ ਵਿੱਚ ਪੰਜਾਬ ਦੇ ਵੱਖ-ਵੱਖ ਖੇਤਰਾਂ 'ਚ ਆਈ ਇਸ ਆਵਾਜ਼ ਦੇ ਸਮੇਂ ਸਾਹਿਬਾ ਨੂੰ ਆਪਣੀ ਜ਼ਿੰਮੇਵਾਰੀ ਸਮਝਦੇ ਹੋਏ ਅੱਗੇ ਆਉਣਾ ਚਾਹੀਦਾ ਹੈ ਤੇ ਹੜ੍ਹ ਕਾਰਨ ਅਨੇਕਾਂ ਸਮੱਸਿਆਵਾਂ ਦੇ ਸਾਹਮਣੇ ਕਰ ਰਹੇ ਲੋਕਾਂ ਲਈ ਅਰਦਾਸ ਦੇ ਆਪਣੀਆਂ ਬੁਲਿਆਈ ਸਮਾਨ ਇਕੱਠਾ ਕਰਕੇ ਪੁਰਾ ਕਰਨਾ ਚਾਹੀਦਾ ਹੈ। ਇਸ ਦੇ ਨਾਲ ਹੀ ਉਨ੍ਹਾਂ ਇਸ ਮੁਹਿੰਮ ਨੂੰ ਸਫਲਤਾਪੂਰਵਕ ਨਪਰੇ ਚਾਰੂਨ ਲਈ ਡਾ. ਮਹੁਮੀਤ, ਡੀਨ, ਸਟੂਡੈਂਟ ਵੈਲਫੇਅਰ, ਡਾ. ਮੋਨਿਕਾ ਸ਼ਰਮਾ, ਡੀਨ, ਸੋਸ਼ਲ ਆਊਟਰੀਚ ਤੇ ਸਮੂਹ ਮੈਂਬਰਾਂ ਵੱਲੋਂ ਕੀਤੇ ਗਏ ਯਤਨਾਂ ਦੀ ਸ਼ਲਾਘਾ ਕੀਤੀ।

Activity 7: KMV organizes Open House on Women's Safety on (5 August 2023)

The Department of Student Welfare organized an Open House on women's safety, providing a platform for students to discuss and raise awareness about important issues related to women's safety. The motive behind this interactive session was to provide students with a platform to share their opinions, thoughts and experiences.. Nearly 20 students presented their views. In this interactive open house, students raised many relevant questions such as "Are women safe in India?" Why are conflicts fought over women's bodies? Why is our legal system so slow? Why are rapists moving freely? Where are women's rights? All these questions are testimony to the fact that safety mechanisms need to be readdressed. Students also discussed issues that create hindrances in the progress and development of women and their professional success.

Activity 8: Handloom Day Celebration on (7 August 2023)

The 9th National Handloom was celebrated with full zeal and enthusiasm by the Postgraduate Department of Fashion Designing, Kanya Maha Vidyalaya, Jalandhar. While addressing on the occasion of this day which shows the importance of promoting and spreading Swadeshi in the country, Principal Prof. Dr. Atima Sharma Dwivedi said that K.M.V. Always moving towards popularizing handloom and handicrafts. Speaking further she said that we all should support the artisans so that they can get livelihood as they are not only stakeholders but also helping in reviving our rich cultural heritage.

Along with this he told that K.M.V. Budding is empowering the designers as entrepreneurs by providing them all the necessary skills in fashion designing to establish themselves in this era of self-reliance as well as competition. Along with this, he also appreciated the efforts made by Fashion Design Dr. Harpreet, Chairperson, Fashion Designing Department and group professors to celebrate this day.

Activity 9: Tree Plantation Campaign on (30 August 2023)

A tree plantation drive was organised in the college campus by Department of Student Welfare, demonstrating its commitment to environmental sustainability and community engagement by planting trees to enhance the campus ecosystem. Students planted various saplings in different parts of the college including lawns, botanical garden and vertical garden. The aim of this drive was to create awareness regarding clean, green and healthy environment. It is pertinent to mention that tree plantation drives are a regular feature here at KMV as KMV always sensitize the students on environmental issues.

Activity 10: Set up Empathy Corner Outside the college on (1 September 2023)

Department of Gandhian Studies Centre and History in collaboration with Social outreach Department setup Empathy Corner outside the college gate on 1st September 2023. The aim of Empathy Corner is to sensitize students about their duties and responsibilities towards the society and community. The main motive was to inculcate the sentiments of empathy towards the under privileged among the students through donation of clothes, eatables, stationery, notebooks etc. This initiative aims to create a sense of responsibility and empathy among the younger generation.

Activity 12: Department of Student Welfare in collaboration with Dainik Jagran launches Dainik Jagran Sanskar shala Campaign at KMV for Environmental Awareness on (16-September 2023)

Kanya Maha Vidyalaya collaborated with Dainik Jagran to organize a comprehensive online campaign focused on spreading awareness about environmental conservation. The Department of Student Welfare spearheaded an Environmental Awareness campaign, aiming to educate students about pressing environmental issues and promote sustainable practices for a greener future. The campaign aimed to educate students about the importance of preserving the environment and encouraged the use of eco-friendly appliances to contribute to sustainable living practices. KMV leveraged various social media platforms to disseminate information and engage with the student community. Regular posts, info graphics, and interactive quizzes were shared to keep students informed and actively involved in the campaign.

Activity 13: KMV welcomes CRPF Woman bikers rally, emphasizing woman empowerment on (16 September 2023)

A spectacular display of empowerment unfolded as a contingent of 150 women officers from the Central Reserve Police Force (CRPF) arrived at KMV on their motorcycles. The members of Department of Student Welfare participated in the event with full zeal and enthusiasm. The all-women biker rally titled Yashaswani: All Women Motorcycle Expedition 2023 was met with warm applause and enthusiasm. The rally not only highlighted their proficiency in handling powerful bikes but also symbolised the indomitable spirit of women in uniform. Spectators and students alike gathered to witness the exhilarating spectacle, cheering on the riders who defied norms with their passion for biking.

Activity 14: Swachhata hi Seva ISL 2.0 on (17 September 2023)

Kanya Maha Vidyalaya took part in various competitions organized under the Bharat Swachhta League on behalf of the Ministry of Housing and Urban Affairs, Government of India. The students displayed their talent by participating enthusiastically in quiz, street play, slogan writing, graffiti, rangoli and cleanliness resolution and received huge number of prizes.. The students displayed wonderful best out of waste dress showing the importance of cleanliness and also spread the message of green environment. The students of Fashion Designing department won the first prize in Best Out of Waste Dress with Sustainable dress . The students also performed brilliantly in the quiz competition based on Swachh Bharat. Apart from this, everyone liked the graffiti made on the topic of cleanliness by the students of Fine Arts Department. Along with this, the students displayed their extraordinary talent and gave the message of saving the earth which is being destroyed due to human greed in street drama.

25 Students of Fashion Designing Actively Participated in this activity

Activity 18: Mentoring Session on Creativity and Innovation at Kendriya Vidyalaya-3 on 2 November 2023

Mentoring session on “Creative and Innovations” was organized by P.G. Department of Physics at Kendriya Vidyalaya-3, Jalandhar Cantt. Dr. Neetu Verma, Associate Professor, Dr. Surbhi Sharma, Assistant Professor, P.G. Department of Physics, and Dr. Mandeep Kaur, Assistant Professor, Department of Botany, Kanya Maha Vidyalaya, Jalandhar was the resource person. Students from 9-12 classes along with faculty attended the session.

The resource person explained about the concept of creativity and innovation and why both these terms are important for an entrepreneur and for managing entrepreneurship. She stated that in order to be creative, students must have the courage to try new things and experiment with different ideas. Creativity needs to be fostered in a way that allows students the freedom to explore their ideas without fear of being judged or ridiculed. Creativity, innovation and entrepreneurship are important things to launch each innovative products and services that comes with advanced technology. She also elaborated the concept of “Frugal Innovation” to students.

Dr. Neeta Verma
 Associate Professor, PG Dept. of Physics
 Vice President, KMV IIC
 Kanya Maha Vidyalaya, Jalandhar

Dear Madam

Please accept our sincere thanks for the efforts put in by you and your institution, Kanya Maha Vidyalaya, Jalandhar for conducting Creativity and Innovation Session for our students and faculty under IIC-ATL Linkage programme of MIC, Govt. of India. Inculcating the spirit of creativity and innovation is must have for building entrepreneurial culture amongst the youth of our country. This Creativity and Innovation session has helped our students to get awareness and motivation for us to develop an ecosystem to promote innovation and entrepreneurial culture amongst the students. We look forward to more such interactions with you.

Regards

Activity 19: Mentoring program to explore Innovative Experiments at KMV Innovation Hub on (4 November 2023)

To promote scientific innovations among school students, P.G Department of Physics, Kanya Maha Vidyalaya, Jalandhar an autonomous and heritage institution has organized a workshop titled "Captivating Learning through Innovative Experiments" in which KMViets demonstrated some unique and innovative experiments to school students. **Nearly 7 schools visited innovation hub during this event.** Idea behind organizing this activity was to boost the creative minds of our budding innovators and at the same time make learning of Physics interesting for school students. Students learnt about various novel experiments like Newton Cradle, Air Cannon, Lorentz Oscillator, Motion in inclined plane, energy transfer in spring and many more. In the program KMViets acted as mentors for their junior school students. Idea behind organizing this session was to develop momentum in the minds of young students. Students were given the liberty to explore concepts related to different setups in the innovation hub. Students got encouraged by the work of their seniors and showed willingness to take initiatives for more creative projects and experiments.

Activity 20: Mentoring program to explore Innovative Experiments at KMV Innovation Hub on (6 November 2023)

To promote scientific innovations among school students, P.G Department of Physics, Kanya Maha Vidyalaya, Jalandhar an autonomous and heritage institution has organized a workshop titled “Captivating Learning through Innovative Experiments” in which KMViets demonstrated some unique and innovative experiments to school students. **Nearly 4 schools participated in this workshop.** Idea behind organizing this activity was to boost the creative minds of our budding innovators and at the same time making learning of Physics interesting for school students. Under the same umbrella Government Senior Secondary School, Nurpur Jalandhar visited Innovation lab of Kanya Maha Vidyalaya, Jalandhar. Students learnt various novel experiments like Newton Cradle, Air Canon, Lorentz Oscillator, Motion in inclined plane, energy transfer in spring etc., were exhibited to the students to make it easier for them to understand the concepts in a practical way. KMViets explained the concept of conservation of energy and momentum, Moment of Inertia, Doppler’s Effect, types of waves, propagation of waves in a medium, Coupled pendulums with variable lengths etc. Students have devised Newton’s cradle, Air canon, Looping the loop etc. to make fundamentals easier to understand. In the program KMViets acted as mentors for their junior school students. The event has helped budding school level innovators to think logically and to develop a few more prototypes. Students were encouraged to investigate new facts about each instrument and were advised to plan different experiments and activities related to apparatuses. Idea behind organizing this session was to develop momentum in the minds of young students. Students were given the liberty to explore concepts related to different setups in innovation hub. This event proved effective to spread science education at school level. Exposure of science equipments and high tech apparatuses was given those were earlier inaccessible to school students. Students got encouraged by the work of their seniors and showed willingness to take initiatives for more creative projects.

List of Teachers:

Sr. No.	No. of Teachers
1.	Dr. Neetu Verma

Activity 21: KMV's endeavours for Environmental Consciousness: Organises rally for a Green Diwali on (08 November 2023)

KanyaMahaVidyalaya (Autonomous) celebrated Eco friendly green Diwali by organizing an awareness rally. The Department of Student Welfare organized a rally for Green Diwali as part of its Environmental Awareness initiative, advocating for eco-friendly celebrations and encouraging students to opt for sustainable practices during the festive season." The rally was organized in order to spread awareness in the society about celebrating Eco friendly Diwali. More than 250 students participated in the rally from KMV campus till Doaba Chowk with slogans like Green Diwali, Clean Diwali and Pollution Free Diwali. Students chanted slogans regarding Green and Pollution Free Diwali in order to spread awareness. On this occasion, students also took a pledge for a clean and green Diwali, to motivate the people for tree plantation and to stop the use of plastic.

List of Teachers participated in the Rally:

Sr. No.	Name

**Activity 22: Captivating Science Learning through Innovative Physics Experiments
(Police DAV Public School, PAP, Jalandhar) on (18 November 2023)**

P.G. Department of Physics, Kanya Maha Vidyalaya, Jalandhar is constantly working in the direction of imparting science education through innovative teaching methodologies. Dr. Surbhi, Assistant Professor, P.G Department of Physics, Kanya Maha Vidyalaya, Jalandhar visited Police DAV Public School, PAP, Jalandhar on Nov 18, 2023.

Faculty of KMV have developed some unique and innovative prototypes to make scientific fundamentals easy to understand. She demonstrated some unique and innovative experiments to school students with a Science, Commerce and Humanities background. Various physics experiments demonstrating the Newton's laws, conservation laws, reflection and refraction of light, generation of different modes of vibrations of a stationary wave, charging and discharging of bodies, effect of fictitious forces etc., were performed with students to make it easier for them to understand the concepts in a practical way.

List of Teachers:

Sr. No.	No. of Teachers
1.	Dr. Neetu Verma

Activity 23: Mentoring Session on Inno-Physics Demonstrations for GSSS, Adarsh nagar (Higher Sec.) at KMV Innovation Hub on (24 November 2023)

To promote scientific innovations among school students, P.G Department of Physics, Kanya Maha Vidyalaya, Jalandhar an autonomous and heritage institution has organized a workshop titled "Captivating Learning through Innovative Experiments" in which KMViets demonstrated some unique and innovative experiments to school students. Idea behind organizing this activity was to boost the creative minds of our budding innovators and at the same time make learning of Physics interesting for school students. **Under the same umbrella GSSS, Adarsh nagar (Higher Sec) Jalandhar, visited KMV College.**

Students learnt about various novel experiments like Newton Cradle, Air Cannon, Lorentz Oscillator, Motion in inclined plane, energy transfer in spring and many more. In the program KMViets acted as mentors for their junior school students. Idea behind organizing this session was to develop momentum in the minds of young students. Students were given the liberty to explore concepts related to different setups in the innovation hub. Students got encouraged by the work of their seniors and showed willingness to take initiatives for more creative projects and experiments.

Subject: Permission regarding visit of school students to innovation hub of Physics department.

Respected Madam

With due respect it is to bring into your kind notice that students from Govt. Sr. Sec. School, Adarsh Nagar, Jalandhar (Higher Sec) are coming to visit the innovation hub of the Physics department on Nov 24, 2023. Kindly allow us to show the innovation hub to students. I shall be highly grateful to you for this.

Thanking You
Yours sincerely

Dr. Neetu Verma
Head P.G. Department of Physics

Activity 25: Mentoring Session on Inno-Physics Demonstrations at GSSS, Randhawa Masanda, Jalandhar on (29 November 2023)

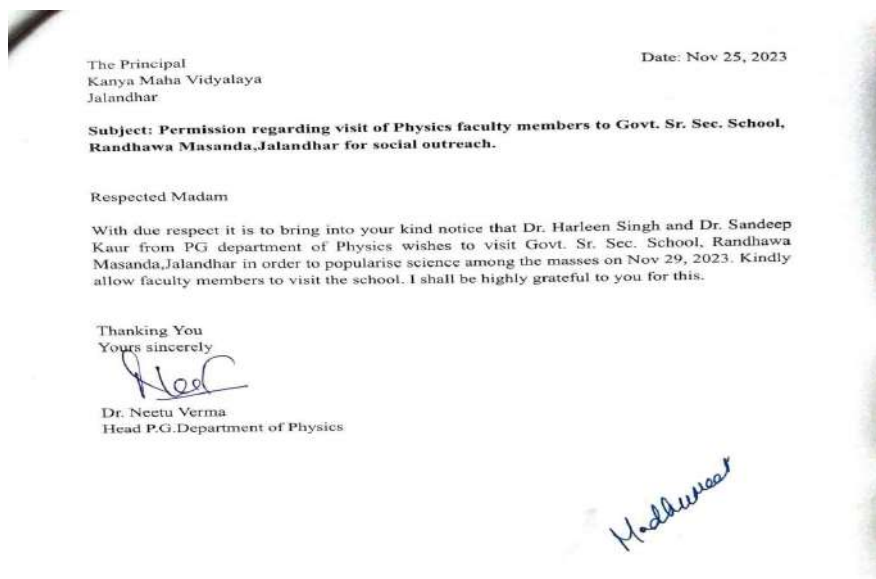

To promote scientific innovations among school students, P.G Department of Physics, Kanya Maha Vidyalaya, Jalandhar an autonomous and heritage institution has organized a workshop titled "Captivating Learning through Innovative Experiments" in which Dr Harleen Singh and Dr Sandeep Kaur demonstrated some unique and innovative experiments to school students. Idea behind organizing this activity was to boost the creative minds of our budding innovators and at the same time make learning of Physics interesting for school students. Under the same umbrella KMViets visited GSSS, Randhawa Masanda, Jalandhar. Novel experiments like Newton Cradle, Air Cannon, Lorentz Oscillator, Motion in inclined plane, energy transfer in spring etc., were exhibited to the students to make it easier for them to understand the concepts in a practical way. KMViets explained the concept of conservation of energy and momentum, Moment of Inertia, Doppler's Effect, types of waves, propagation of waves in a medium, Coupled pendulums with variable lengths etc. Students have devised Newton's cradle, Air cannon, Looping the loop etc. to make fundamentals easier to understand. In the program KMViets acted as mentors for their junior school students. The event has helped budding school level innovators to think logically and to develop a few more prototypes. Students were encouraged to investigate new facts about each instrument and were advised to plan different experiments and activities related to apparatuses. Idea behind organizing this session was to develop momentum in the minds of young students. Students were given the liberty to explore concepts related to different setups in the innovation hub. Students got encouraged by the work of their seniors and showed willingness to take initiatives for more creative projects and experiments.

Respected Madam

With due respect it is to bring into your kind notice that Ms. Saloni from the PG department of Physics wishes to visit Govt. Girls Sr. Sec. School, Khurdpur, Jalandhar in order to popularise science among the masses on Nov 29, 2023. Kindly allow faculty to visit the school. I shall be highly grateful to you for this.

Thanking You
Yours sincerely

Dr. Neetu Verma
Head P.G. Department of Physics

Activity- 27 World AIDS Day Celebrated on (1 December 2023)

Kanya Maha Vidyalaya (Autonomous) celebrated World AIDS Day with full zeal and enthusiasm. This day is dedicated to raising awareness of the AIDS (Acquired Immunodeficiency Syndrome) caused by HIV (Human Immunodeficiency Virus) infection and mourning those who have died of the disease. Department of Student welfare in collaboration with Red Ribbon Club organized poster making competition to celebrate World AIDS Day. Students from all the streams made beautiful posters.

Subject: Social Outreach Activity

Respected Sir,

this is to request you to kindly grant us permission to organise an activity in Pehel School, Dulab Dam Road Talondhar on 15.12.23, at 11am.

The following members of the social outreach committee will be going for this activity - We will be back in college by 12.30 PM.

Thanking you,
Yours sincerely,
Dr. Monica Sharma (Dept. of History)
Dr. Anushka (Dept. of Hindi)
Dr. Sandeep (Dept. of Biology)

Dated: 15.12.2022.

Activity 30: Statue crafted by KMVites stands as a testament to the institution's commitment to environmental consciousness on (17 December 2023)

Kanya Maha Vidyalaya (Autonomous) proudly inaugurated a unique [symbol of sustainability](#) and empowerment with the unveiling of a striking statue at island near Skylark Chowk. Crafted entirely by the creative hands of KMV students, the statue stands as a testament to the institution's commitment to environmental consciousness and fostering empowerment through education. Constructed using innovative techniques and repurposed waste materials, the statue embodies the spirit of sustainability, encouraging the community to rethink and repurpose materials that often end up as environmental hazards.

The P. G. Department of Fashion Designing and P. G. Department of Fine arts collaborated to build this statue out of e-waste, Eco-bricks made from plastic bottles, textile waste, sanitary waste, discarded stationery, single use plastic, bottle caps, broken glass bottles etc. KMV's initiative to engage students in this eco-friendly project not only promotes environmental responsibility but also serves as a platform for nurturing creativity and resourcefulness. The chief guest for the unveiling ceremony was Mr. Puneet Sharma, PCS, Joint Commissioner, Municipal Corporation.

Activity 31: Mentoring Session on Inno-Physics Demonstrations for three Schools at KMV Innovation Hub on (20 December 2023)

Kanya Maha Vidyalaya, an autonomous and heritage institution, always provides an invaluable opportunity for students to witness the application of theoretical physics through practical innovative demonstrations. In this regard PG Department Of Physics has organized a workshop on captive learning under Anveshika . Students of three schools (Dev Raj Girls Sen. Sec. School, Sanskriti KMV School & Shiv Jyoti Public School, Jalandhar) has visited the innovation hub of the college. This innovative space showcased a plethora of demonstrations elucidating fundamental concepts of physics using ingenious, innovative experiments and demonstrations. The visit commenced with a warm welcome by the faculty followed by an insightful introduction to the innovation Hub's objectives and its emphasis on hands-on learning. The innovation Hub exemplified the amalgamation of creativity and scientific knowledge, showcasing various experiments and demonstrations including Newton's Cradle, Spherical mirrors, series of pendulums (of same length and different length), demonstration of wave motion and many more. The most commendable aspect was witnessing students actively engaged in demonstrations. This interactive session fostered a stimulating learning environment leaving a lasting impact on students. It not only enriched their understanding of physics concepts but also instilled a sense of curiosity and creativity.

Activity 32: Mentoring Session on Inno-Physics Demonstrations at Govt. High School, Sheikhe Pind & Jandu Singha on (22 December 2023)

To promote scientific innovations among school students, P.G Department of Physics, Kanya Maha Vidyalaya, Jalandhar an autonomous and heritage institution has organized a workshop titled "Captivating Learning through Innovative Experiments" in which KMViets demonstrated some unique and innovative experiments to school students. Idea behind organizing this activity was to boost the creative minds of our budding innovators and at the same time make learning of Physics interesting for school students. Under the same umbrella KMViets visited Govt. High School, Sheikhe Pind & Govt. High School, Jandu Singha, Jalandhar.

Novel experiments like Newton Cradle, Air Cannon, Spherical Mirrors, Motion in inclined plane, energy transfer in spring etc., were exhibited to the students to make it easier for them to understand the concepts in a practical way. KMViets explained the concept of conservation of energy and momentum, Moment of Inertia, Doppler's Effect, types of waves, propagation of waves in a medium, Coupled pendulums with variable lengths etc. Students have devised Newton's cradle, Air cannon, Looping the loop etc. to make fundamentals easier to understand. In the program KMViets acted as mentors for school students. The event has helped budding school level innovators to think logically and to develop a few more prototypes.

Activity 33: Mentoring Session on Inno-Physics Demonstrations for Govt. Girls Sr. Sec. School, Goraya at KMV Innovation Hub on (30 January 2024)

To promote scientific innovations among school students, P.G Department of Physics, Kanya Maha Vidyalaya, Jalandhar an autonomous and heritage institution has organized a Mentoring Session on Inno-Physics Demonstrations in which KMViets demonstrated some unique and innovative experiments to students of Govt. Girls Sr. Sec. School, Goraya. Idea behind organizing this activity was to boost the creative minds of our budding innovators and at the same time make learning of Physics interesting for school students. Jalandhar. Novel experiments like Newton Cradle, Air Cannon, Lorentz Oscillator, Motion in inclined plane, energy transfer in spring etc., were exhibited to the students to make it easier for them to understand the concepts in a practical way. KMViets explained the concept of conservation of energy and momentum, Moment of Inertia, Doppler's Effect, types of waves, propagation of waves in a medium, Coupled pendulums with variable lengths etc. Students have devised Newton's cradle, Air cannon, Looping the loop etc. to make fundamentals easier to understand. In the program KMViets acted as mentors for their junior school students. The event has helped budding school level innovators to think logically and to develop a few more prototypes. Students were encouraged to investigate new facts about each instrument and were advised to plan different experiments and activities related to apparatuses. Idea behind organizing this session was to develop momentum in the minds of young students.

Activity- 34 Empowering, Educating, and Embracing Strength: Cancer Awareness Day

On (4 February 2024)

Kanya Maha Vidyalaya (Autonomous) celebrated World Cancer Day with full zeal and enthusiasm. The celebration was jointly celebrated by the Red Ribbon Club under the aegis of Student Welfare Department & PG Department of English. On this occasion, a seminar was specially organised to create awareness about the disease like cancer in which Dr.Aanchal Aggarwal, Consultant Radiation Oncologist, Patel Hospital, Jalandhar participated as the keynote speaker. While addressing the students, Dr.Aanchal defined cancer and discussed in detail about its symptoms, causes and types. During this seminar organised under the theme Create a Future Without Cancer, The Time to Act is Now, Dr.Aanchal talked about the precautions against the cancer as well as its treatment and the importance of the patient being psychologically positive. She also said that serious diseases can be prevented with habits like simple lifestyle, proper eating habits & timely exercise etc.

Activity 37: FOOD ADULTERATION CAMP & TREE PLANTATION DRIVE on

(20 February 2024)

P.G Department of Chemistry (KMV) took a resolute step towards fostering awareness against food adulteration and nurturing environmental sustainability through a commendable dual initiative on February 20, 2024.

Under the astute guidance of Dr. Manju Sahni, Head of the P.G. Department of Chemistry, KMV, a pioneering food adulteration camp was organized at Govt. P.A.P Smart School, Jalandhar. The event served as a platform for students to delve into practical experiments aimed at identifying adulterants in commonly used food items such as milk, spices, and others. These experiments, crafted ingeniously using simple household items, empowered students to detect adulteration, thereby promoting consumer awareness and food safety. Furthermore, recognizing the gravity of food adulteration as a crime, the students also disseminated information regarding pertinent laws and acts pertaining to food adulteration, enlightening the community about their rights and responsibilities in combating this malpractice. In a parallel endeavor towards environmental stewardship, KMV students embarked on a tree plantation drive, reflecting their commitment to nurturing the environment. With fervor and dedication, saplings were planted to augment green cover, promote biodiversity, and contribute towards a cleaner, healthier ecosystem.

Activity 38: Mentoring program to explore Innovative Experiments for Jullundur Model school at KMV Innovation Hub on (27 February 2024)

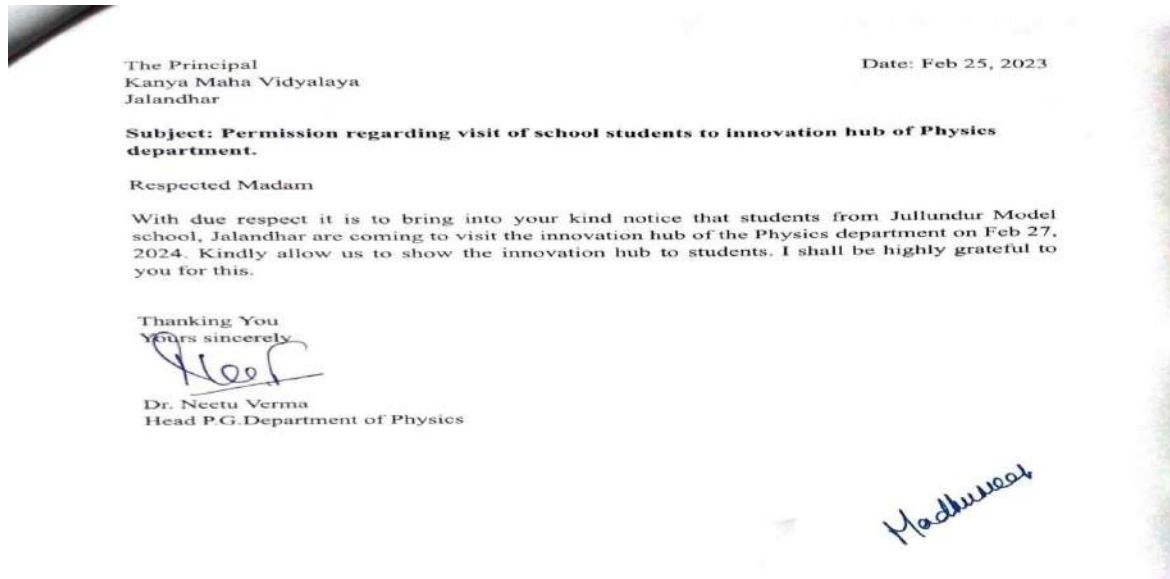

To promote scientific innovations among school students, P.G Department of Physics, Kanya Maha Vidyalaya an autonomous and heritage institution Jalandhar has organized a mentoring program on 27 February 2024. This mentoring session provide students with insights into various innovative projects, technologies, and facilities available. The Innovation Hub serves as a collaborative space where students and faculty converge to explore, innovate, and create solutions to real-world problems. Several novel experiments were demonstrated, ranging Newton Cradle, Air Cannon, Lorentz Oscillator, Motion in inclined plane, energy transfer in spring etc. Students had the opportunity to learn about the ideation, development, and implementation processes. This mentoring program engaged students in hands-on activities and stimulated their creativity and problem-solving skills. The visit received positive feedback from both students and teachers. Students expressed enthusiasm and interest in exploring future opportunities and appreciated the hands-on learning experience provided by the Innovation Hub. Teachers commended the efforts of the college in fostering a culture of innovation and entrepreneurship among students.

Activity 40: Educational Visit to Chanan Association on (28 February 2024)

One day educational trip was organized by department of Home Science on 28th February 2024 to visit Chanan Association near Wadala Road at Jalandhar. This institute is a vocational as well as training centre for special children providing services from last 30 years. They are comprised of students from B.Sc. Home Science, B.Voc. (Nutrition, Exercise & Health), Post Graduate Diploma in Nutrition and Dietetics and Diploma in Early Childhood Care and Education accompanied by faculty members, Dr. Rupika Chopra and Ms. Kuljinder Kaur. A total of 30 special children from 13-18 years old were there with cerebral palsy, autism, mental retardation and mongolia disorders. From the visit, students learned that children with special needs require constant care and support. Every case related to a special child is extremely delicate. If these students get early intervention, there is a lot of chances for the improvement in these students.

Class: B.Sc. Home Science Semester: III

a) What you have learned from this visit?
I learned that all do not come for all the human beings. Some people have to face a lot of challenges to live a normal life. Keeping aside their disability they are happy with only or fun for.

b) Was it beneficial for you? If yes, how?
Yes, in our course, I did not study about the disabilities of people. From this visit we came to know about how to deal and interact with disability people.

c) What was lacking during the visit? (For eg., Time Management, Bus Service, Teachers's Support etc.)

d) Any suggestion for improvement:

Activity 42: Plantation Drive on (28-03-2024)

The department of Bio-Technology organized a plantation drive for creating a general awareness among students. The activity was organized for the students to learn about their important role in fighting the environmental issues, specifically at the local level. Through this event, students realized their responsibility, both as a student and as a citizen, in conserving the environment. The activity also aimed to aware students regarding the greatest issue of today's era, the pollution and the environmental degradation, loss of habitat and biodiversity resulting from its rapid increase. Through this plantation drive, students took a step towards the greener and healthier future, also creating awareness in the community regarding it.

Students showcased a great level of enthusiasm throughout the activity. They showed teamwork and togetherness for achieving the success of the event. Enthusiastically, each student planted a plant with a moral sense of responsibility towards the city, and the country. They all planted different varieties of plants, including *Trachyspermum ammi*, *Dracaena trifasciata*, *Aloe barbadensis*, *Ficus religiosa*, *Echeveria purpurea*, *Bellis perennis*, *Kalanchoe blossfeldiana*, *Calendula officinalis*, *Petunia Hybrid*, *Rhododendron simsii*. Interestingly and more importantly, students understood the need of events like plantation drive, raising home gardens, maintenance of local flora and ecosystem for a healthier and sustainable environment.

Was this activity knowledgeable for you? (Yes/No)	Yes, engaging in this activity was informative and enlightening.
What did you find most beneficial about the activity?	The most beneficial aspect of this drive was the ability to engage volunteers. We gained practical knowledge about planting techniques, plant care & environmental stewardship.
How was the overall experience?	The overall experience of the plantation drive was incredibly positive. It was inspiring to see many people coming together to contribute to environmental conservation.
Any suggestions?	Yes, such activities should be organized more frequently.

Activity 43: Food Crisis and Maintenance of Cleanliness and Hygiene Programme at Dayanand Model School on (30 March 2024)

P. G. Department of Botany of Kanya Maha Vidyalaya, Jalandhar organizes a social outreach Programme. In response to the pressing issue of the global food crisis, an awareness rally was organized by our college with the aim of educating the public about the challenges and potential solutions related to food security. The rally took place on 30.03.24 near Dayanand Nagar, Jalandhar. The event was attended by Members of NGO Robin Hood Army, Jalandhar.

The main purpose of the rally was to create awareness about the global food crisis, its underlying causes, and its profound impact on communities worldwide. Additionally, the rally aimed to emphasize the importance of redirecting surplus food to those who are most in need. Additionally, the rally aimed to highlight the importance of sustainable agriculture, food waste reduction, and equitable food distribution as key strategies to address the crisis. The rally began with a gathering at Mahatma Hans Raj Marg, Dayanand Nagar where participants were briefed about the purpose of the event and provided with banners, posters, and flyers to carry during the march. The participants, carrying placards with messages advocating for food security, marched through the main road, chanting slogans. The rally's motto was: "KMV ka naara hai, jiruratmand ka banana sahaara hai" (KMV's slogan is to support the needy).

Students from KMV engaged with children living in the Dayanand Nagar slum near the railway line, imparting knowledge about the significance of maintaining hygiene. They emphasized practices such as hand washing, food safety, and sanitation, crucial for overall health and disease prevention. These practices are essential for enhancing well-being and ensuring safety in various environments.

Additionally, the students distributed fruits to the children, highlighting the importance of incorporating natural foods into their diets.

Activity 44: Environmental cleanliness drive in College on 4 April 2024

PG Department of Mathematics organized an Environmental cleanliness drive under Eco friendly communities for Social Outreach. The students cleaned the footpaths, flowerbeds and corners of the park in Pasricha block, Botanical Garden and College Hostel. The students of B.Sc. (Honours) Mathematics Semester IV removed the weeds, painted the walls and beautified the garden. Through this drive the fellow students were taught about “the importance of cleaning the society and neighbourhood” and were made aware about the benefits of cleanliness and were advised to avoid single use plastics and to take up their proper disposal. The students also educated the children of their household helps by creating awareness regarding education, personal hygiene and cleanliness. They guided them as mentors and took the learning sessions at frequent intervals. As a result of the drive the students get prepared to be the part of Swachh Bharat Abhiyaan and they had given message to the society that everyone should come forward to be the part of this social cause.

Activity 46: Cleanliness Drive at Government Sr. Sec School, Karari on (20 April 2024)

Students of B.Voc. (Retail Management) Sem-IV got an opportunity to serve the society and guided about vocational skills training and subsequent job opportunities to under privileged youth from economically disadvantaged backgrounds. Moreover, they have distributed food, clothes, plantation of trees, feeding cows. Aim to build healthy and wealthy nation to promoting education and facilitates knowledge needed for the youth to actively participate in community and nation building programs as well as personal development. The students were encouraged to participate in this project with the aim of making future generations sensitize towards those who are deprived of basic needs. As everyone know that learning outside the classroom and helping others encourages empathy and understanding for society. With their pro-social initiative, students learned to serve the nation as the spirit of patriotism inculcate in them. This Programme made them aware about their social responsibilities towards society, nation and environment.

Activity 53: Nukkad Natak on Mental Health Awareness on (19 April 2024)

In response to the increasing levels of mental unrest and heightened stress and anxiety among young individuals, students from various departments of Kanya Maha Vidyalaya strongly advocated for the need for mental health awareness through a Nukkad Natak (street theatre). Collaborating efforts, they aimed to enhance general understanding, knowledge, and acceptance of mental health conditions and their diagnosis within the student community. Under the guidance of Ms. Nisha, Arushi, Payal, Chirag from B.Sc. Biotechnology, Nitiya and Poonam from B.Com, Mehak from BBA, and Gurjeet from BA actively participated in this event.

The performance was meticulously crafted to address various facets of mental health issues commonly faced by today's youth. Through interactive narratives and relatable scenarios, the street play provided insights into the challenges individuals may encounter and highlighted the avenues available for support and well-being. By portraying fictional but realistic situations, students promoted open discussions aimed at reducing common mental conditions such as stress, anxiety, and depression.

Activity 55: Performed NUKKAD-NATAK on Waste Segregation in Govt. Sr. Sec. School, Karari on (20 April 2024)

B.Voc (Management and Secretarial Practices) went to Government Senior Secondary School, Karari, Jalandhar, on April 20, 2024, under the Social Outreach Activity. Our students performed Nukkad-Natak on the topic of waste segregation. Students very well explained the meaning of waste segregation, which is the sorting and separation of waste types to facilitate recycling and correct onward disposal. Overall, the social outreach activity proved to be fruitful, and it ended with the happy faces of the students.

Activity 56: Workshops and awareness campaigns at Government Schools on eco-friendly on (20 April 2024)

The department conducted workshops and awareness campaigns at Rural areas Government Schools on eco-friendly practices such as waste management, recycling, and conservation of natural resources. These sessions were open to community members of all ages and aimed to instill a sense of responsibility towards the environment. Informed students about responsible tourism and how to become a responsible tourist. After giving the description about responsible tourism a quiz competition was conducted in which children take active participation. At the end, we gave small prizes to children.

Activity 57: One Day Workshop organised for women in the rural areas with help of UDAAN on 20 April 2024

Special workshops and training sessions were organized exclusively for women in the rural areas with help of UDAAN, These workshops focused on skill development in areas such as handicrafts, culinary arts, and sustainable agriculture. By enhancing their skills, women were empowered to generate income and contribute to their households' economic well-being. The department collaborated with local NGOs and organizations working such as UDAAN in the fields of environmental conservation and women empowerment. This collaboration facilitated access to resources, expertise, and networks, thereby maximizing the impact of the outreach program.

Activity 60: Workshop on Block Printing at Government Senior Secondary School, Karadi on (20 April 2024)

Under the social outreach activity, 70 students of all B.Voc streams went to **Government Senior Secondary School, Karadi** to engage with the students and to impart practical knowledge and skills related to their respective fields.

Prior to the workshop, students from various B.Voc classes coordinated with the school authorities to organize the event. The workshop commenced with an introduction to Block Printing and its significance in textiles. Students of B.Voc (TD & AT) Semester 4 then conducted hands-on demonstrations, guiding the Class 8 students through the process of block printing. Following the demonstrations, the students actively participated in the practical session. Under the supervision of the mentors, they experimented with various block designs and colors. Throughout the workshop, there was an emphasis on interactive learning. The workshop concluded with a feedback session where both the B.Voc students and the Class 8 students shared their experiences and insights. The workshop provided the Class 8 students with hands-on experience in block printing, enhancing their practical skills and understanding of the craft. The collaboration between B.Voc students and the students of Government Senior Secondary School fostered a sense of community engagement and social responsibility. By imparting valuable skills, the workshop empowered the students of 8th standard to explore potential career paths in textile design and related fields.

Activity 61: Introducing children to Animation to promote creativity at Government Senior Secondary School, Karari, on (20 April 2024)

Students of B.Voc (Animation) went to Government Senior Secondary School, Karari, Jalandhar, on April 20, 2024, under the Social Outreach Activity. Our students introduced animation as a field to students and encouraged them to show their stories through creativity. Students very well explained storytelling, which is a creative way to showcase one's stories through pictures and animations. Overall, the social outreach activity proved to be fruitful, and it ended with the happy faces of the students.

**Activity 62: Vocational Training Workshop at village Bhatnura lubana on
(22 April 2024)**

Department of Fashion Designing organised a one day workshop on Block at village (bhatnura lubana district Jalandhar) guru nanak Darbar at 12 .20 Workshop was conducted on Block printing. In comparison recycling means breaking down the old items into their base material and use those materials to create new products, often of lesser quality. The main motive behind the activity is to make women creative. Womens and girls were also very excited to learn new things and recycle the things .

Activity 63: Lecture on No Use Plastic on (22 April 2024)

It is important to raise awareness about the harmful effects of plastic on the environment. Plastics take hundreds of years to decompose, polluting our oceans, rivers and landfills. They harm marine life and can even cause health problems in humans when they break down into microplastics which enter our food chain. We must take responsibility for reducing plastic waste by using reusable bags, bottles, and avoiding single-use plastics whenever possible. It's a small step that can have a big impact on preserving the world we live in.

HEREI GAVE THE LECTURE TO ADULTS AND CHILDREN THAT WE SHOULD NOT USE PLASTIC.

Name of Student: Amanjot Saini (236205) B.Voc. MSP

Activity 64: One Week Workshop on Sustainable fashion by Department of fashion designing on (22 April 2024)

A workshop on sustainable fashion was organised by the Department of fashion designing in collaboration with the Gandhian studies centre. In this, the girls from the villages were taught how to make use of the garments which have discarded in the house; particularly they were encouraged to make cloth bags for shopping.

Activity 65: Spreading Awareness about YOGA at village Dayalpur

Yoga is a form of Meditation which makes people's lives better holistically. The students performed various asanas to bring out the importance of yoga in serving better mental health practices in our lives. The asanas also help in maintaining a steady posture and reduce mental tiredness, stress and anxiety. They conveyed a message that practising yogasanas regularly can help to maintain a healthy body and a healthy mind. It is a movement dedicated to the youth to inspire them to come together for the sustainability and global harmony.

Name of Student: Preeti 233502 (Bsc. Economics)

Activity 66: DONATION OF FOOD ITEMS TO DISTRICT PINGLA GHAR on 23 April 2024

Food is the basic need of every person all over the world. There are many kinds of people living in this world; some are rich, and some are poor. But food plays a vital role in everyone's life. No one can survive without food. So, we went to Pingla Ghar, which is located near HMV College. There we saw many kinds of people who can't speak, can't hear, can't walk, and can't talk. They can't communicate that they are hungry. So, we made small efforts to fulfill their hunger by giving biscuits and chocolates to them.

Name of Student: Himani (236201) B.Voc. MSP

Donation of Fruits and Money to Poor People In Village Kala Bahian.

Activity 67: Donation of food items to Animals

Food donations can also help to support local communities. By donating food, you can help to ensure that those in need have access to the nutrition they need to survive. This can help to reduce poverty and can also help to improve the overall quality of life in the community. Donating is a selfless act. One of the major positive effects of donating money to charity is simply feeling good about giving. Being able to give back.

Name of Student: Sneha (236206) B.Voc. MSP

Activity 68: Spreading Awareness about YOGA in their Locality

Yoga to improve their physical and mental health. Yoga involves stretching muscles and can help relieve stress, improve sleep and digestion, and promote mental calmness. Student of B.Voc MSP taught Yoga to the children around her house.

Name of Student : Aarti 233501 (B.Voc MSP)

Activity 69: Donation of stationary items to children on 24 April 2024

Donating education items is more valuable than giving other things because when we give these items, children will be motivated and will study hard. These items are the weapons to achieve goals. Therefore, I distributed some copies and pens to the children of my village (Mokhey).

Name of Student: Himani (236201) B.voc. MSP

Activity 70: One Day Workshop on Makeup was organized by the Gandhian Studies Centre on 24 April 2024

One day workshop on makeup was organised for the students of the women empowerment cell. Miss. Pawandeep Kaur gave the demonstration with her team on party, make up and day make up. 60 students participated in the workshop.

Activity 71: Promoting GER Awareness in Village Schools through Nukkad Nataks on (25 April 2024)

P.G. Dept. of Commerce and Business Administration in collaboration with Social Outreach Department organised an awareness activity in Govt. Senior Secondary Smart School, Hazara on 26th April, 2024. 32 Students from B.Com (Reg) Sem-IV and BBA Sem-IV went for this activity along with Dr. Monica Sharma (Head, Social Outreach Department) and Mrs. Ritu (Assistant Professor, Commerce Department). Students conducted following activities:

- (i) Group of 8 students conducted awareness activity for waste segregation of wet and dry garbage. The students of the school were made aware about dustbins of different colours and the materials to be thrown in them.
- (ii) A group of 10 student performed Nukkad Natak to create awareness about the importance of education and financial independence for girls.

Rest students went to different classes in order to interact with school students and talked to them about importance of higher education to make India a Developed Nation. Students encouraged school students to reduce usage of plastic in their daily life and follow the principle of 3Rs (Reduce, Recycle and Reuse).

Activity 72: Awareness activity on waste segregation in Govt. Senior Secondary School Randhawa Masanda on (30th April, 2024)

P.G. Dept. of Commerce and Business Administration in collaboration with Social Outreach Department organised an awareness activity in Govt. Senior Secondary School, Randhawa Masanda on 30th April, 2024. 22 Students from B.Com (Hons) Sem-IV went for this activity along with Mrs. Ritu (Assistant Professor, Commerce Department). The students were categorized in various groups of 4-5 students. Each group addressed one class in school. One group conducted awareness activity for waste segregation of wet and dry garbage. The students of the school were made aware about dustbins of different colours and the materials to be thrown in them. Another group created awareness about the importance of education and financial independence for girls and talked to them about importance of higher education to make India a Developed Nation. Third group interacted with school students to reduce usage of plastic in their daily life and follow the principle of 3Rs (Reduce, Recycle and Reuse). One group addressed girl students of 9th and 10th class about various issues related to menstruation hygiene.

Activity 73: Nukkad Natak by KMV College Students on Social Awareness

The students of semester four at KMV college organized and performed a series of engaging nukkadnatak (street play) aimed at raising social awareness on various critical issues. First event took place in the college auditorium as well as to different local areas, schools and NGO'S was attended by students, faculty, and local community members. The street play covered themes of Women Empowerment, Sexual Abuse, Mental Health, Promoting Village Sports, Eco-Friendly Communities Awareness, Awareness Improve GER, Breast Cancer Awareness, Female Hygiene and Blood Donation. Students divided into groups choose the topic of their interest and join the drills of students and social outreach visit with respective departments to make our awareness drills as a holistic impression on the audience. The nukkad natak by KMV college sem4 students was a profound display of talent and social responsibility. Each segment was thoughtfully crafted to not only inform but also to inspire action within the community. The street play successfully engaged the audience, leaving them with a deeper understanding of these critical issues and a motivation to contribute to societal change.

The street play covered themes

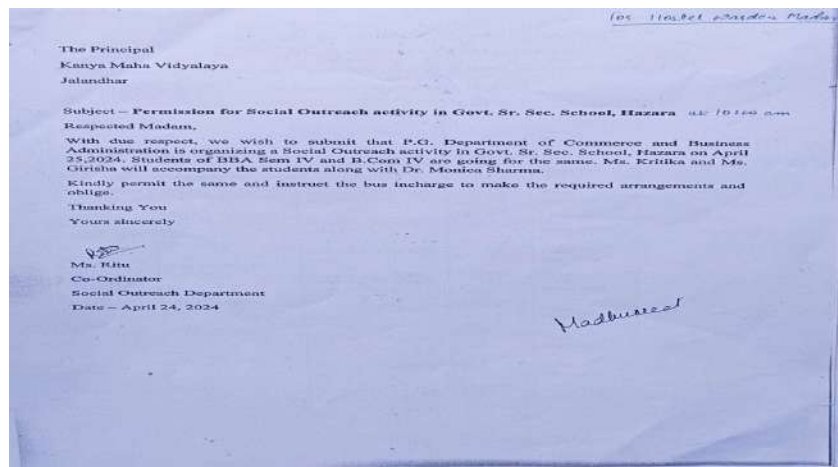

- **Promote village/communities sports**
 - Permute sports in village awareness
- **Eco friendly communities**
 - Eco friendly communities' awareness
- **Disease free village**
 - Breast cancer
 - Female hygiene
- **Social awareness**
 - Mental health
 - Child sexual abuse
- **Improved GER**
 - GER awareness through NukkadNataks
- **Empowered women community**
 - Women empowerment
- **Hygiene related activities**
 - Blood donation awareness
- **Projects on green life**

- Eco friendly communities
- **Redefining hostel green life**
 - Clean community recognition
 - Rejuvenate of morbagh
 - Embellishing hostel interior
- **Promoting sports in community**
 - Board games on sports terrace.

Activity 78: - Social Outreach Value Added Programme for Semester IV

To inculcate a sense of responsibility among the students towards various social issues, KMV has started social outreach as a value added programme. It proposes to equip the students for community upliftment work. The students are initiated into the social outreach value added program by a motivating presentation by Principal Dr. Atima Sharma Dwivedi who has introduced such pioneering programmes in the region. This is followed by Lectures by Various resource Persons, who introduced the areas in which students can undertake projects.

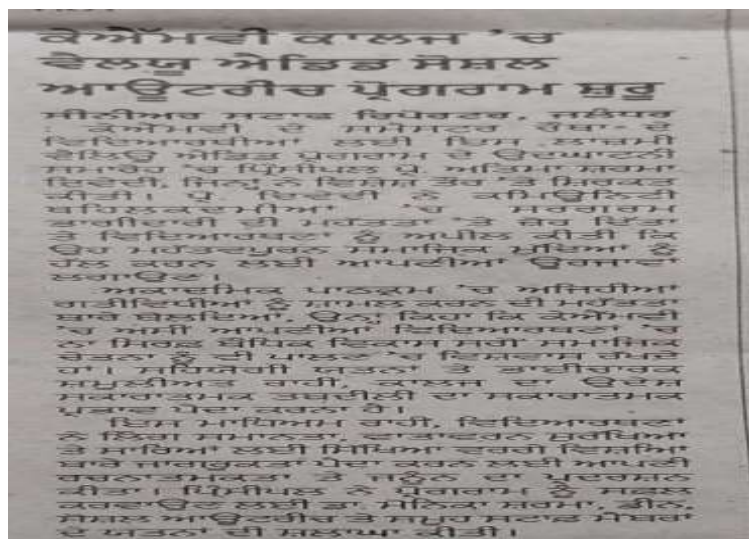

In the Session 2023-24, 413 students of Semester four of all streams undertook Projects under Social Outreach Value Added Programme on the following broad themes

1. Improved sex ratio
2. Improved GER
3. Clean Village recognitions
4. Disease free village
5. Eco-friendly communities/village
6. Improved literacy levels
7. Empowered women communities
8. Any offer to be specified (Social awareness and impact level to be added)
9. Medical camps
10. Blood donation camps
11. Promoting village sports
12. Educating rural students etc.

Activity 79: Free of cost three month Vocational Training Programme in Cosmetology and Basic Computers (March 2024- June 2024)

Kanya Maha Vidyalaya (Autonomous) has taken a lead in working for the social upliftment of the rural women through its various social outreach programmes. In this context KMV has started a three months free Vocational Training Programme in Cosmetology for the under privileged women under the aegis of the Gandhian Studies Centre in which women from the villages and neighbouring localities have enrolled in this course. It is pertinent to mention that for more than a decade KMV through this programme has empowered hundreds of rural women by providing free vocational training to them in various courses such as Cosmetology, Fashion Designing and Basic Computer courses in the campus and in the villages also. Principal Prof. Dr. Atima Sharma Dwivedi encouraged these women to take up this opportunity provided by the college and to become financially independent and empowered & also assured them all possible help to achieve their goals. Madam Principal lauded the efforts of Dr. Monica Sharma, Director, Gandhian Studies Centre.
