"Knowing Swami Vivekananda- an embodiment of youth and an outcome of service and devotion to the nation."

- International Online Quiz on 31st March 2023, Friday

Swami Vivekananda is the breath of every living civilization- it may be 21st century, 22nd century, and 23rd century and so on. As we grow, we turn a page toward a new learning domain, and automatically radical changes are imposed on us in our ways of living, and more so: a revolution, in an unconscious manner of perceiving the world, of feeling life and of how to envision the future. Swami ji's ideals are the only weapon to remove all ignorance. That is why his new understanding of religion, new view of man, new principle of morality and ethics, contributions to India, teachings are still relevant in humanizing us.

For investigating the spirit of Swami Vivekananda's philosophy and teachings, Swami Vivekananda Chair is organizing an International Online Quiz on 31st March 2023, Friday on the topic-

"Knowing Swami Vivekananda- an embodiment of youth and an outcome of service and devotion to the nation."

Benefits of the Event to the students and academicians:
