

**4.2.1:**

***Library is automated using Integrated Library Management System (ILMS)***

ANSWER:

Kanya Maha Vidyalaya Library is acting as Information Resource center and has collection of books, journals (National & International), magazines, e-journals, e-books, databases and many more. E-resources (Inflibnet, Shodhganga, NDL, and DELNET) can access through intranet within campus as well as remotely on internet. Library has adequate number of computers to facilitate search OPAC, accessing e-resources, web browsing, e-reading, printing, downloading and for other academic works. Library has good internet connection with 14MBPS bandwidth for fast access of internet. Library has also Digital repository to access archived books, question paper, research publication, thesis, annual reports, newsletter, newspaper clippings etc. Library is member of N-list (shodhsindu), DELNET, National Digital Library, Blind library (Daisy Forum of India: Sugamya Pustakakaya).

The Library is fully automated with leading library management software, which is multiuser and user friendly. OPAC/ web OPAC is main search tool to access the library collection along with its location and status (whether book is available or not available). Library has an automated attendance system; the entry of all the users is captured by a scanner at the library entrance for the footfalls count in the Library. RF gate has been installed on the entrance of the library for security check. RF tag has been pasted on books to stop the theft.

**Library Sections:**
