Policy for Promotion of Research

Annexure D
Policy for Promotion of Research

Research Policy

Research productivity is of paramount importance for the reputation of any educational institution. KMV has recommended to its Faculty a number of guidelines to ensure that the conduct of a research is of high quality and of ethical standards. KMV expects its faculty members and students to comply with these policies diligently.

Objectives

- To create an enabling environment within the KMV to foster a research culture.
- To create, maintain and enhance infrastructure to enable conduct of state-of-the-art research
- To ensure adequate support to faculty, researchers and students in their research activities through internal and external funding.
- To ensure publications in quality journals indexed in Scopus/Web of Science and/or with impact factor.
- To encourage faculty to undertake interdisciplinary and socially useful research with potential for commercialization.
- To establish Research Centres within the institutions and extend research consultancy to outsiders.
- To encourage the faculty to enter research collaborations and linkages nationally and globally.

Research Committee

Prof. (Dr.) Atima Sharma Dwivedi	Principal KMV, Chairperson
Dr. Jatinder Pal	Department of Economics (Dean Research)
Dr. Gopi Sharma	Department of Physics
Dr. Manmohan Singh	Department of Physics
Mrs. Narinderjit Kaur	Department of Chemistry
Mrs. Natasha Sharma	Department of Mathematics

Guidelines and Instructions

- A research forum will be organized once in a month. Each department, especially post graduate departments, will showcase their respective research. The investigators, along with their students working under seed money grant, will present their ideas, findings and

Annexure (D)

experiences. Research forum will also organize invited talks periodically on research methodology, IPRs and research orientation.

- The appointments and promotions will be linked to research and academic activities and strictly in accordance with UGC/Government ordinances.
- Members of the faculty should undertake research leading to quality publications capable of generation of Intellectual property rights with potential for commercialization and with social relevance.
- Research activities of teachers, research fellows and students will be supported through the grants from central, state government agencies and college funds. (for detail see Seed Money Policy).
- It will be ensured that research papers are published in UGC approved Journals preferably with Impact Factor. Faculty can explore the Scopus to find list of journals for their respective subjects.
- Research should be promoted at Departmental level in collaboration with students. Departments should publish journals having research papers by faculty as well as students.
- Research Awards:
 - In each year faculty will be given “Award of Excellence in Research” of Rs. 5000/- approximately. Research outcome will be evaluated as per latest CAS UGC guidelines. Only those research activities will be considered for award where the researcher has acknowledged KMV as their working institution. Senior and junior categories will be decided according to Nature of job of the applicant.
 - Awards will also be given separately/ award of Rs. 2000/- to UG and PG students under Faculty of Languages, Science, Social Science, IT and Performing Arts. Each faculty will short list the research activities of students and submit the same to the research committee.

Research committee will submit the short listed applicants (both faculty and students) to an external committee (nominated by The Principal) for further evaluation. The external committee will submit its recommendations to the Research Committee.

Annexure (D)

- In case of travel from project funds, for distance more than 500 KM air fare can be availed.
- To attend seminar/conference/workshops duty leave applications, along with acceptance of letter/invitation letter, should be submitted to Research cell, IQAC one month prior to the seminar/conference/workshops. Certificate of participation must also be submitted to Research Cell, IQAC after attending the conference.
- Workshops/interactions on research methodology should be organized to promote research.
- Website for online journals should be actively used.

ETHICS POLICY

Researchers must in all areas of their research demonstrate Honesty and integrity. All the research activities of faculty in each area should be of good quality adhering to highest standards of ethics. The college encourages publications in journals indexed in Scopus/Web of Science. Faculty/students/research fellows must submit the undertaking that research work has not been published/presented/communicated elsewhere and all the citations are acknowledged carefully to avoid the issues involved in plagiarism.

Annexure (D)

SEED MONEY POLICY FOR RESEARCH

Kanya Maha Vidyalaya seeks to strengthen research and innovation activities in the college by motivating teachers and students who are not getting external funding. For this, it is desirable to have Seed money scheme. This will enable the faculty and students to engage in research work until sponsored projects from outside agencies are secured.

ELIGIBILITY

- Faculty should be working fulltime with the college and should have at least M. Phil degree.
- They have to sign an agreement that He/she will continue to work with the institution till the project is completed. In case the PI is leaving the institute, then he/she must deposit the granted seed money amount and assets created thereon to the office before leaving the institute.
- The PI should not be availing another grant from external agency for the same project.
- The PI should publish at least one research papers along with the names of co-investigators in UGC approved list of Journals.
- Seed money will be provided for only one project/scheme to an individual.
- The department of PI should have basic infrastructure to support research.

SEED MONEY GRANT

All the faculties including Social Sciences, Commerce, Languages, IT, Performing Arts and Sciences can avail seed money grant for research projects. One faculty member must choose two students as team members and proposal can be submitted to meet Recurring expenses, and/or Non-Recurring.
