

## Orientation Program organised for the students at KMV

Kanya Maha Vidyalaya (Autonomous) organized Orientation Programme for the new students. The program aimed at introducing various aspects of autonomy and making the students aware about the code of conduct of the college. Principal Prof. (Dr.) Atima Sharma Dwivedi congratulated the newcomers on becoming part of the historic institution. Madam Principal acquainted the new students with the rich legacy and glorious present of KMV. While addressing the students, Madam Principal averred that higher education is very important in one's life, as it enables one to take decisions, realize one's potential, develop one's personally, shows the direction to find one's goals and how to achieve goals. Madam Principal further maintained that for the holistic growth of students it is essential that the students should take an active part in all the innovative and value added programs being offer on the campus. Dr. Madhumeet (Dean, Student Welfare) through her presentation 'Know your KMV' gave detailed information about the KMV legacy, the vision of KMV, the facilities available for students, scholarships on campus placements, infrastructure, showing student support system, value added programs being offered on the campus and the advantages of gaining autonomy. All these programmes are designed with the holistic development and growth of students in mind. Among other Student Development Programmes we have Foreign Languages taught by Foreign Teachers. Counseling(Career and General Counseling) is offered throughout the year to the students. Centre for Competitive Exams prepare students for IAS, PCS, Bank PO, UGC, Defense Services etc. Institute of IELTS by guided experts provide on-campus IELTS training to the desirous candidates. Centre for Leadership Development and Lifelong learning grooms the students and inculcates leadership qualities in them. KMV Entrepreneurial Development Centre enhances the entrepreneurial qualities of the students by providing them adequate opportunities and organizing interactive sessions with inspiring entrepreneurs. Under Student Mentoring Programme each teacher mentors 10 to 15 students. Madam Principal lauded the efforts of Dr Madhumeet & Dr Gurjot for organizing this very meaningful activity.
