Action Taken Report on Employers' Feedback On Curriculum

Feedback (2022-23)	Action Taken (2023-24)
Some practical-based courses should be launched	Students are encouraged to do MOOCs from Swayam and other certificate courses The schedule of MOOCs has been shared with students well in time
Six-month training must be mandatory for students.	Flexibility in duration and timings of internships have been introduced. Students can do online training also.
More focus should be given to skill-oriented courses.	More courses are added in the skill centre to enhance the skills and employability among students
