Action Taken Report

2022-23

Action Taken Report on Students' Feedback on Curriculum

Feedback(22-23)	Action Taken(23-24)
Integrated Courses should be introduced	The college has introduced four five-year integrated courses M.Com(FYIP), M.Sc.(Mathematics) FYIP, M.Sc, (Physics) FYIP , M.A. English (FYIP)
CP-1 and CP-2 should not be taken	The burden on students has been reduced by providing them with multiple choices for Cp-1 and CP-2
Practical-based paper Tally and workshop on life skills should be introduced as a separate subject for B.Com students and data science for BCA students	Papers on Tally Prime and Workshop for Life Skills have been introduced for B.Com Sem 1 and data science for BCA Sem 1
More focus should be given to practical and skill-based knowledge, fieldwork, projects, and training sessions.	Internships have been introduced in most of the commerce and vocational programs
Lab Facility must be improved	More computers are added in labs
Separate extra classes should be arranged for DBT-JRF, ICMR, IIT-JAM, and CSIR-NET.	Separate extra classes are arranged for DBT-JRF, ICMR, IIT-JAM, and CSIR-NET.
