Alumni Feedback on Curriculum
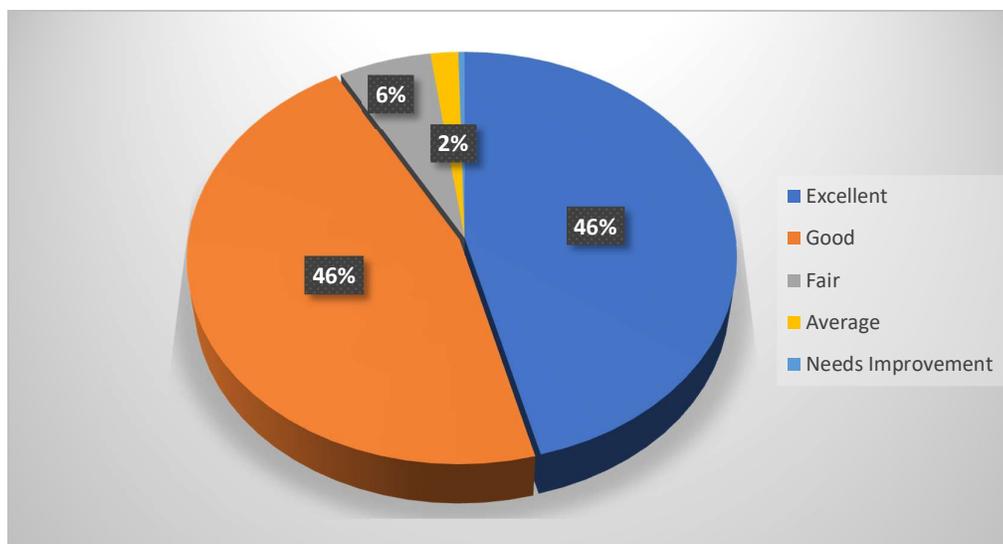

2022-23

Kanya Maha Vidyalaya values the feedback of alumni on the curriculum. The basic objective of feedback is to evaluate and analyze the relevance of syllabi, course structure and the career orientation of the curriculum. It also tries to examine the various facilities provided by the institution and the impact of the overall campus environment on their lives. A well-structured questionnaire has been used to collect the feedback. The feedback has been taken from different students across different faculties.
