Name of the Start-up	Nature of Start-up		Date of commencement
TASVEER- The photo studio	A unique initiative taken up by B.Voc photography and journalism under DDU kaushal Kendra for providing a platform to the students who aspire to become an Entrepreneur. The photo studio always encourages students to develop their photography skills by showcasing their creativity. Studets have also earned approximate 2000rs under this start up.		23-Feb-18
KMV Budding Entrepreneurs-A Creative Venture of Students of Retail Management	This venture is aimed at building and enhancing the entrepreneurial skills of students. They develop their business ideas and assess the viability of their ideas by running “Sukriti-The Retail Lab” which is a realistic point-of-sale facility in which specific measures for strategy implementation such as visual merchandising, store operations, merchandising management, stock handling, cash handling and in particular customer dealing is illustrated vividly and geared towards practical application. The Retail Lab design enables students to experience key industry retail processes. In addition to illustrating retail-related elements, ”KMV Budding Entrepreneurs” enables work to be carried out on current research issues and practical projects given to the students. In this way, the venture allows		28 th August 2018

	underlying theory to be linked to exemplary applications and practical experience. It is an excellent opportunity for students for networking and team building. The venture is dedicated to furthering understanding about new and small businesses.	
KMV Apparel online on Amazon	Dept. of B.Voc Textile Design & Apparel Technology sets a new Platform for students to provide them entrepreneurial exposure. They are selling their self made products on Amazon under the brand “KMVFDIANS”. The students will now have an opportunity to sell their self made products online on Amazon so for students are getting a lot of orders from different states Like West Bengal, Maharashtra, Slogan.	7-Sep-18
