B.Sc. Computer Science

Sr. No.	Name	Class Roll No.	Topics of Project
1.	Bishakha	213801	Lorentz Oscillator: Captivating Learning through innovative Experiments
2.	Inderpreet kaur	213802	Anharmonic Oscillator: Captivating Learning through innovative Experiments
3.	Harjot nikita	213803	Conservation of Energy: Captivating Learning through innovative Experiments
4.	Taruna	213804	Lorentz Oscillator: Captivating Learning through innovative Experiments
5.	Radhika	213805	Street play on Women empowerment and Physical demonstration of multiple images by plane mirror
6.	Nandini	213806	Rotational Dynamics: Captivating Learning through innovative Experiments
7.	Diksha Sharma	213807	Anharmonic Oscillator: Captivating Learning through innovative Experiments
