KANYA MAHA VIDYALAYA (AUTONOMOUS), THE HERITAGE INSTITUTION

B.Voc (Management & Secretarial Practices)

Report on: EMPATHY CORNER

KANYA MAHA VIDYALAYA, a Heritage institution with glorify history of 131 years, celebrating its 'autonomous' status, is the pioneer institution of quality education for women that has been synonymous with excellence, innovation, commitment and dynamism. It is the sovereign shrine of women in emancipation as well as sacred monument of patriotism. It is not simply a plane building of bricks and stones but each brick is bathed by sweat and blood of innumerable patriots. The institution is fully equipped to grapple with new-age challenges and attain newer milestones. KMV has the rare distinction having been visited by 5 Prime Ministers and 5 Presidents of India and a galaxy of eminent dignitaries. It has been conferred with potential for excellence by UGC, MHRD, and the Government of India and is under Star College Scheme by Department of Biotechnology, Ministry Of Science and the only college under GNDU granted Kaushal Kendra. A pioneer and leader in women education, KMV, have been recognized as a premier centre of higher education for women in North India. As an institution, KMV has adopted the sustainable changes in the global scenario of producing women equal partners in the modern world.

Owing its social responsibility, KMV has been carrying out extensive social awareness programmes in the city and in villages on a regular basis. The wide spectrum of these programmes includes awareness rallies against drugs, female foeticide, dowry and visits to old age homes and orphanages. Moving ahead the college started another initiative of self-less service by *Gandhian Studies Centre*, i.e., **EMPATHY CORNER**. This is a place where the daily requirements of common people are placed including clothes, blankets, shoes, toys etc, which can be picked up by any needy passersby. This initiate aims to create a sense of responsibility and empathy among the younger generation.

Empathy is the capacity to understand or feel what another person is experiencing from within the other person's frame of reference, i.e., the capacity to place oneself in another's position. It is the ability to feel and share another person's emotions.

For this pro-social activity, all departments step forward for this philanthropic activity. In the month of April, B.Voc (Management & Secretarial Practices), shoulder this responsibility

Dimple

under the guidance of our dynamic and charismatic principal madam, Prof. Dr. Atima Sharma Dwivedi. Teachers and students brought clothes, toys, shoes and other common daily items for the needy people.

Even the society plays a vital role. Many people, who reside near the college, also brought some items to serve the society. The empathy corner was opened at around 10 am every day.

We are thankful and grateful to our iconic and charismatic principal madam, Prof. Dr. Atima Sharma Dwivedi, as they always motivate and guide us to do such philanthropic and pro-social activities. With their pro-social initiative, students learn to serve the nation as the spirit of patriotism arises in them.
