

Kanya Maha Vidyalaya, Jalandhar

Report on Industrial Visit (Sungrace Industries, Jalandhar) Under Y20 Summit by Ministry of Youth Affairs, Govt. of India

March 4, 2023

Kanya Maha Vidyalaya, Jalandhar is committed to provide 21st century futuristic education and strives ceaselessly to emancipate, enlighten, and empower women. Education at K.M.V. is a unique amalgam of traditional learning and futuristic vision. Industry Visits, Workshops and expert talks are regular feature of KMV's academic calendar. Students of KMV paid a visit to Sungrace industries to have hands-on experience on Garment Designing and Construction.

Objective: - The objective of above 'Industrial Visit' is to provide an exposure to students about practical working environment, also to provide the students a good opportunity to gain full awareness about industrial practices and new technologies.

Benefits of visit: - Industrial Visit bridges the gap between classroom theoretical training and practical learning in real life environment.

The visit was enlightening experience for the students as it provided knowledge and ideation of the product. Students interacted with experts in a small-scale industry to get the hands-on experience. They also learned to handle and manage the orders in bulk. Each student got the opportunity to have hands on experience on measuring, cutting and stitching skills by learning and working alongside the skilled workers. The students also got their queries addressed in a discussion with technical staff and managers.

The students tirelessly worked and the visit ended with the sense of contentment and pride for everyone as each one was handed out self-made products as a takeaway.

Prof. (Dr.) Atima Sharma Dwivedi, appreciated and congratulated the faculty and students for the initiative and encouraged them to proactively participate in such events in future.

Some glimpses of Industrial Visit

To
The Principal
Kanya Maha Vidyalaya
Jalandhar

Respected Madam

This is to bring to your kind notice that department of Textile Design & Apparel Technology is organizing a workshop on "Men's tailoring," provided by our industrial partners from 17th Nov to 19 Nov. Kindly allow us for this workshop. I shall be very thankful to you, if the above is allowed.

Yours Sincerely

Ms. Vibhuti Kalia
Assistant Professor
Textile Design & Apparel Technology

Date: - 18/11/22.
