

CERTIFICATE OF INTERNSHIP

We hereby proudly present this Certificate of Internship for the sincere efforts of Ms RAMA MANHAS, Student of Class BCA 3rd Semester from Computer Science & Applications Department of Kanya Maha Vidyalaya, Jalandhar, on her successful completion of Internship Program conducted from September 06,2022 to September 14,2022

Achieved Internship Outcomes:

- Technology trained on Java and Programming.
- Using Basic Concepts such as variables, conditional and iterative statements, methods.
- Identifying classes, objects, members of a class and relationship among them.
- Listing and using object-oriented programming concepts for problem solving.
- Developing data models and describing basic elements of SQL.
- Developing data models and describing basic elements of SQL & Data Types, CONSTRAINTS.
- Working with SQL Statements different types of SQL(DDL, DML, TCL, DCL and DQL).

During the course of "Internship", She has shown keen interest in learning and found to be a very sincere student.

We wish her all the best for future endeavors.

Achieved Internship Outcomes:

- Technology trained on Java and Programming.
- Using Basic Concepts such as variables, conditional and iterative statements, methods.
- Identifying classes, objects, members of a class and relationship among them.
- Listing and using object-oriented programming concepts for problem solving.
- Developing data models and describing basic elements of SQL.
- Developing data models and describing basic elements of SQL & Data Types, CONSTRAINTS.
- Working with SQL Statements different types of SQL(DDL, DML, TCL, DCL and DQL).

During the course of "Internship", She has shown keen interest in learning and found to be a very sincere student.

We wish her all the best for future endeavors.

CERTIFICATE OF INTERNSHIP

We hereby proudly present this Certificate of Internship for the sincere efforts of Ms SANDEEP KAUR, Student of Class BCA 3rd Semester from Computer Science & Applications Department of Kanya Maha Vidyalaya, Jalandhar, on her successful completion of Internship Program conducted from September 06,2022 to September 14,2022

Achieved Internship Outcomes:

- Technology trained on Java and Programming.
- Using Basic Concepts such as variables, conditionals and iterative statements, methods.
- Identifying classes, objects, members of a class and relationship among them.
- Listing and using object-oriented programming concepts for problem solving.
- Developing data models and describing basic elements of SQL.
- Developing data models and describing basic elements of SQL & Data Types, CONSTRAINTS.
- Working with SQL Statements different types of SQL(DDL, DML, TCL, DCL and DQL).

During the course of "Internship", She has shown keen interest in learning and found to be a very sincere student.

We wish her all the best for future endeavors.
