

CERTIFICATE OF INTERNSHIP

We hereby proudly present this Certificate of Internship for the sincere efforts of Ms MEERA, Student of Class BCA 5th Semester from Computer Science & Applications Department of Kanya Maha Vidyalaya, Jalandhar, on her successful completion of Internship Program conducted from September 06,2022 to September 14,2022

Achieved Internship Outcomes:

- Technology trained on Java and Programming.
- Using Basic Concepts such as variables, conditional and iterative statements, methods.
- Identifying classes, objects, members of a class and relationship among them.
- Listing and using object-oriented programming concepts for problem solving.
- Developing data models and describing basic elements of SQL.
- Developing data models and describing basic elements of SQL & Data Types, CONSTRAINTS.
- Working with SQL Statements different types of SQL(DDL, DML, TCL, DCL and DQL).

During the course of "Internship", She has shown keen interest in learning and found to be a very sincere student.

We wish her all the best for future endeavors.
