3. Program for the benefit of: Students of B.Sc. (Medical) and M.Sc. Botany

4. Total no. of participants: 30

5. Venue of the program: Botanical Garden

P.G. Department of Botany of Kanya Maha Vidyalaya organized Innovation in Vegetative propagation activity in Botanical Garden. The aim of this event was to motivate students to plant more and more trees through innovative methods. The vegetative parts of a plant like leaf, stem, root or their modified forms are used for propagation. Student gets hands on training for this mode of propagation. Students actively participated in this activity. Plants like Ruscus, Tredescantia, Hibiscus, Philodendron, Lily were propagated using this technique of plant propagation. The main advantage of vegetative propagation methods is that the new plants contain the genetic material of only one parent, so they are essentially clones of the parent plant. Students from the department participated in these activities with full zeal and enthusiasm. It was a good learning experience for all of them. Principal Ma'am interacted with the students and she praises the students for their efforts and motivated them to keep doing such activities in future.

2. Title/Theme of the Program: **World AIDS Day**
3. Program for the benefit of: Students of P.G. and U.G. classes
4. Total no. of participants: 70

World AIDS Day, was observed on 1 December 2022 in Kanya Maha Vidyalaya, The Autonomus and Heritage College, Jalandhar. This day is dedicated to raising awareness of the AIDS (Acquired immunodeficiency Syndrome) caused by HIV (Human Immunodeficiency Virus) infection and mourning those who have died of the disease. Department of Student welfare in collaboration with Red Ribbon Club organized poster making competition on World AIDS Day. The theme for this year is "Equalize". UNAIDS is urging each of us to address the inequalities which are holding back progress in ending AIDS. Students presented their poster on this theme. Prof. Atima Sharma Dwivedi, Principal, appreciated the efforts of students and faculty for raising awareness in society. She motivated students to act as social messengers and spread awareness among society regarding this pandemic and the ways to control it. Dr. Madhumeet, Dean, Student Welfare informed the students about the screening methods and treatment centres (eg. ART Centre in Civil Hospital, Jalandhar).

1. Date of program: 25th August 2022
2. Title/Theme of the Program: **Free eye check-ups**
3. Program for the benefit of: Students of P.G. and U.G. classes
4. Total no. of participants: 250

Kanya Maha Vidyalaya (Autonomous) organised a free eye check-up camp in collaboration with HDFC bank. The camp was organised by Department of Student Welfare and Red Ribbon Club. Dr. Vijay Laxmi along with her team from Arora Eye Hospital came for the check-up. Students as well as faculty members eyes were checked by the staff of the hospital free of cost. More than 250 students turned up for the check-up and students were advised to change their specs and were also asked to wear specs.

Students were also told how the sun rays and dust particles harm the eyes and were told about the preventive measures to be taken for protection. Principal Prof. (Dr.) Atima Sharma Dwivedi congratulated Dr. Madhumeet, Dean Student Welfare & Dr Shikha Vashisht for the successful organisation of this camp. She averred that these types of initiatives are organised from time to time in the college for the healthy growth of the students as healthy mind can dwell only in healthy body.
