Students of P.G. Department of Chemistry organized "Fun with Chemistry" in which they mentored the undergraduate students and demonstrated simple experiments like lava lamp, elephant toothpaste, fake blood, hidden message, golden rain. Emoji quiz, chemical dumbsharad and demonstration of solid state models were also organized and the winners were given exciting prizes. The P.G. department of Zoology conducted fun activities related to sciences such as know your blood group, know your bones etc. Various competitive activities were also organized such as "Identify Me" where the students identified different specimens, "Science Behind Inheritance of Traits" where the students made mendelian crosses for different traits by beads. In P.G. Department of Botany, students took part in events like rearrange the flower parts, Identify me (Shape of leaf), Play with clay, Plant waffle words, Planta Quest and Plant parody. P.G. Department of Mathematics organised Ooppsilon- a competition for measuring face beauty, Sudoku-the mind game, Logical Quester-Fun Game Zone, Mathematical Mehandi competition and

Sulábh Sutras- a workshop and quiz on Vedic Mathematics. In Sudoku, Ms Sejalpreet Kaur (B.Sc. (Honours) Math Sem III) got first prize; in Mathematical Mehandi Ms Harjot Nikita (B.Sc C.Sc. Sem V) got first prize. Ms Harjot Nikita (B.Sc C.Sc. Sem V), Kalpana Sharma (B.Sc. Non-Med Sem V), Ms Muskan Chauhan (B.Sc. The participation was with full enthusiasm and zeal. A total of 800 participants participated in the quiz and e-certificates were provided to students for participation. Principal Prof. Atima Sharma Dwivedi appreciated the endeavour taken by PG Department of Chemistry adding that this is important as science is mandatory for everyone as it makes life easier and open our mind in many ways.

The screenshot shows a Google Forms interface for a quiz. At the top, the title is "Celebrating Birth Anniversary of Madam Curie". Below the title, there is a banner for "(The Heritage & Autonomous Institution) Kanya Maha Vidyalaya, Jalandhar PG Dept. of Chemistry". The form is divided into sections, with "Section 1 of 2" visible. The main heading of the section is "Celebrating Birth Anniversary of Madam Curie". Below this, there is a paragraph of text: "Dear Faculty & students, PG Dept. of Chemistry, Kanya Maha Vidyalaya, Jalandhar, Punjab, (ranked no. 1 from North India by India Today & Outlook 2020) is organizing an online QUIZ to celebrate Birth Anniversary of Madam Curie. All the participants who will score a minimum of 40% will get an e-certificate through registered e-mail." At the bottom of the form, there is a field labeled "Email ID".

## PRESS NOTE

### Tree Plantation Programme

A tree plantation Programme was organised by P.G. Department of Chemistry, Kanya Maha Vidyalaya (The Heritage and Autonomous Institution), Jalandhar at Government Senior Secondary School, Lamba pind, Jalandhar on 12<sup>th</sup> April, 2023 to create an awareness regarding climate change and its adverse effects on trees. Under the guidance of Head PG Department of Chemistry, Dr. Manju Sahni, a team of 15 students accompanied by Dr. Shikha went to the school. The Principal, staff members and students of the school welcomed the team and the event started with interaction of team members with the school students to aware them about the role of trees in our life and encouraged the students to plant more trees and take care of their plantation thereafter. A range of 100 plants were planted in the school garden and periphery of the school playground to create awareness about saving trees. Our college team pledged there to plant as many trees as possible near our areas so to create a very healthy environment and contribute in minimizing the climate change. The principal and staff of the Government Senior Secondary School greatly appreciated the efforts taken by our students and assured to always welcome us for visiting and organising such social activities in their campus in future also. At the end Dr. Shikha thanked the school principal and staff members for showing their keen interest in this activity. Principal Prof. (Dr.) Atima Sharma Dwivedi congratulated the faculty of Chemistry Department for successfully organising this tree plantation programme and mentioned that all students must be connected with such awareness programmes which are the key factors for the development of the society and environment.
