About Host Institution

Kanya Maha Vidyalaya (Autonomous), the pioneer institution of women education, has long been recognized as a premier centre of higher learning for women in North India. Re-accredited "A" by NAAC (National Assessment and Accreditation Council, Bangalore), the college strives ceaselessly to emancipate, enlighten and empower women. Education at K.M.V. is a unique amalgam of traditional learning and futuristic vision. Under Autonomous status, K.M.V. has taken a giant leap by placing itself into a higher league of colleges that enjoy the honour of uplifting academic standards towards excellence by developing new age innovative programmes, value-added courses, developing curriculum, introducing 22 Post graduate programmes in credit system and bringing about educational reforms through conduct of examinations, evaluation and declaration of results. The college has also been conferred "Heritage College status" by MHRD Govt. of India and CURIE & FIST Grants awarded by DST. K.M.V. is the first college under GNDU to bag DDU Kaushal Kendra (Skill Development Center) awarded by UGC, MHRD, Govt. of India with 9 B.Voc and 3 M.Voc courses.

About Internal Quality Assurance Cell (IQAC)

A post-accreditation initiative for quality assurance, sustenance and enhancement based on the quality parameters identified by NAAC, Internal Quality Assurance Cell of the college was established in 2004 to develop a system for conscious and consistent progression in academics. It has further strengthened the institution in its quest for quality, given a new sense of direction in the pursuit of excellence and helped to evolve novel avenues to take the college nearer to its goals and objectives during the post accreditation period.

About the Seminar

In any country, higher education plays a major role in imparting knowledge, values, and developing skills and in the process, increases the growth and productivity of the nation. Over the last decade, higher education has been on a steep growth trajectory in India. Higher education is now undergoing a major paradigm shift due to the NEP and revised framework of assessment and accreditation by NAAC. We need to synthesize high value deliveries with modern learning tools to ensure a vibrant, intellectually challenging and joyful learning environment. We need to adopt certain benchmarking techniques for improving instruction models and administrative procedures in higher education institutions to move forward.

Objectives of this seminars will be:

- To sensitize the faculty of Higher Education Institutions to understand their role to enhance quality of higher education.
