REPORT

ON

PARENT TEACHER MEETING

(18.11.2022)

A Parent Teacher Meeting for classes B.Voc. & M.Voc. was held on 18 November 2022 in the Retail IT Lab to discuss the performance of students with their parents. Parents were given feedback on their ward's performances in Mid Term Exam 2022-23. We received a very good response from parents.

A parent teacher meeting started at 10:00 A.M. The parents came to interact with the class co-ordinator to discuss their ward's individual progress. Most of the parents asked about their ward's study progression and how they can improve more for upcoming exams. They were asked to advise their ward to work harder for next exam and college will help them preparing better for future by giving regular assignments, solving doubts programs.

It was a great interaction between the teacher and the parents for the development of their children where they discussed both the strengths and areas of improvements. The progress report shown to the parents and their suggestions were noted. Any sign of a child failing to make progress, regardless of where they are in the lower, middle or higher range is questioned and addressed.

The PTM ended with the conclusion that joint effort, mutual understanding and co-operation of parents and teachers is very important for the proper nourishment and progress of students.
