23.PTM , 11 april , 2023

Kanya Maha Vidyalaya (Autonomous) has always been organising various events to facilitate the learning process of the students. The aim of the institution has been to provide a wholesome learning experience to the students so that their studies do not suffer. In another initiative, KMV organised Parent Teacher Meet for the students of all streams of the college. It was an interactive exercise in which the parents and guardians joined with great zeal as their queries about their wards' progress were answered by the teachers and their performance in the exams was also discussed in detail. The parents were appreciative of all the subject teachers and the efforts that teachers are putting in the teaching. Other doubts and concerns of the parents regarding the upcoming final exams were also satisfactorily answered by the teachers. Every parent appreciated KMV for various student friendly initiatives started at KMV. Principal Prof Dr Atima Sharma Dwivedi averred that Parent Teacher Meet is a good initiative to interact with the students and their parents so that the parents can also share their feedback and suggestions regarding their child's education with the teachers. Madam Principal lauded the efforts of the whole organising committee for successfully organising the PTM and also motivated the students to keep working hard in order to bring laurels in the upcoming final exams.
