## Report

Department of Food Science Quality Control and Microbiology  
organized

Industrial Visit-Verka Milk Plant, Jalandhar

2<sup>nd</sup> March, 2023

The department of Food Science Quality Control and Microbiology of Kanya Maha Vidyalaya (Autonomous) organized an Industrial Visit to Verka Milk Plant, Maqsudan on 2<sup>nd</sup> march, 2023 for the students of B.Sc Medical (Food Science) semester II, IV and VI. These students were escorted to the industrial visit along with their faculty members named Dr. Monica and Ms. Navkiran Kaur. During the visit, students got first-hand information regarding the manufacturing, processing and packaging of milk, curd, paneer, butter, desi ghee and kheer. The plant visit was conducted under guidance of Ms. Jyoti and Mr. Pawan Passi, staff members at the plant. They showcased the milk receiving section, operation section, milk packaging section, dispatch section, automation and control room. The students also had question – answer round during which they cleared their doubts regarding the manufacturing process. Students were very excited as they practically experienced the whole process.
