

Gender Sensitization Action Plan

for

2020-21

Women's Studies Centre of Kanya Maha Vidyalaya established in 2009 with UGC funding, aims to impart gender based education, inculcate self confidence & leadership qualities among students with the purpose to create an environment that fosters gender equality and spare the future generations the burden of gender discrimination. Various activities like Open House Sessions Workshop in Self Defence Techniques , Seminars/Extension Lectures have been organised to make girl students aware and capable of fighting gender discrimination. **Kanya Maha Vidyalaya has decided to start Gender Sensitization program as a part of value added program from the session 2020-21 onwards and bring all the activities of Women Studies Centre under one umbrella.** The program has been planned to offer to students of Semester –III students across all streams at under graduate level and credits are added to their DMC. The program has been designed to inculcate value of gender equality among students so that they can identify the areas of gender discrimination and raise their voice against gender discrimination and work towards making the society gender neutral.

OBJECTIVES:

1. To sensitize students about gender rights, gender roles and relations.
2. To make students aware and capable of realizing their true potential.
3. To ensure equal participation of men and women in all economic, social and political processes.
4. To develop gender prospective to transform the mind set of society.

Gender Sensitization Action Plan

2021-22

Women's Studies Centre of Kanya Maha Vidyalaya established in 2009 with UGC funding, aims to impart gender based education, inculcate self confidence & leadership qualities among students with the purpose to create an environment that fosters gender equality and spare the future generations the burden of gender discrimination. Various activities like Open House Sessions Workshop in Self Defence Techniques , Seminars/Extension Lectures have been organised to make girl students aware and capable of fighting gender discrimination. Kanya Maha Vidyalaya has started Gender Sensitization program as a part of value added program from the session 2020-21 onwards and bring all the activities of Women Studies Centre under one umbrella. In this program, efforts have been made to create awareness among students on all the pertinent gender issues. **In future an attempt will be made to add more challenging areas and issues relating to gender equality to strengthen the position of women and girls in the society. Sessions will be made more interesting with live inputs from students.**
