Report on Industrial Visit to Verka Milk Plant

The students of PGDND Sem II and B.Voc. (NEH) Sem II, Home Science department of Kanya Maha Vidyalaya visited Verka Milk Plant on 21.04.23. An industrial visit has its own importance in the career of a student who is pursuing a professional degree. It provides students with an opportunity to learn practically through interaction, working methods and employment practices. It gives them exposure to current work practices as opposed to possibly theoretical knowledge being taught at the college. At Verka Milk Plant, the students learnt about the various managerial skills along with the technical knowhow about the manufacturing, preservation and packaging of milk and milk related products like Paneer, Lassi, Kheer, pinni, curd etc. They understood the technical aspects of processing of any organisation. The students gained knowledge about quality standards also. As a part of their outdoor training, students got firsthand knowledge how milk, butter, ghee, lassi, curd, kheer are processed and packed. The students were acquainted with the method of preparation and preservation of various milk products.

Sub: Permission for visiting Pingla Ghar, Old Age Homes (02) and for using bus

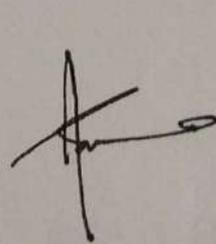

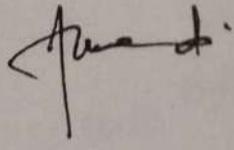

Respected Mam,

Under the **Social Outreach Programme**, students of Semester IV from B.Sc. (Home Science) and B.Voc. (NEH) have to visit **Pingla Ghar**; old age homes namely **Baba Swaroop Senior Citizen Home** and **Apahij Ashram** for executing their various activities with the respective age group. Along with that, students of certificate course i.e., Geriatric Care (Old Age Care and Nutrition), also have to visit old age home under their curriculum. Kindly allow us to take students of department of Home Science (B.Sc., B.Voc. and Certificate Course) for this visit.

You are also requested to kindly allow us to use the bus facility for these visits on **16.02.2023** from **10:00 am to 04:00 pm**. Total number of students will be approximately **30**. Kindly also allow teachers namely Dr. Rupika Chopra (7206571200) and Ms. Palak (8544888979) to accompany the students.

Thanking You

Mrs. Neeti Kapoor
HOD, Home Science

Visit Report

(Visit to Pingla Ghar)

Students of B.Sc. Home Science, B.Voc. (Nutrition, Exercise and Health), Diploma ECCE and Certificate Course of Geriatric Care – Old Age Care and Nutrition from Kanya Maha Vidyalaya, Jalandhar have visited PinglaGhar near Gulab Devi Hospital at Jalandhar on 17.02.2023. It was established in 1951, by Bawa Swarup Singh an ardent disciple and descendent of Guru Amar Dass. PinglaGhar provides food, shelter, cloths, protection and medical treatment without any distinction of caste creed, sex or religion. The institution was awarded National Award by President of India Shri Neelam Sanjiva Reddy and the founder President BawaSarup Singh has the privilege to receive the National Award from the President of India. These students were accompanied by Dr. Rupika Chopra and Ms. Palak under social outreach programme. Students visited every ward/ section of children, Women and men which were separated according to their mental retardation level and disabilities. Children in this institution are also getting education. After their recovery, these disabled children are sent to recognized schools inthe city for higher education. The students of Kanya Maha Vidyalaya interacted with them and distributed toffees,biscuits and chocolates among them. With this visit, students came to know about the pain and the difficulties of the inmates are going through.

Semester:

a) What you have learned from this visit?

This visit taught me that it is quite imperative to be empathetic, helpful, patient while dealing with people suffering from several kinds of disabilities.

b) Was it beneficial for you? If yes, how?

Yes, absolutely it was very beneficial because it me understand their conditions & situations from their point of view and to know what they really want. (what kind of help).

c) What was lacking during the visit? (For eg: Time Management, Bus Service, Teachers' Support etc.)

The visit was well organized by my teachers though time management came out to be one of the issue.

d) Any Suggestions for improvement:

The mobile phones of students should be submitted to their respective teachers as phones were hindering the satisfied interaction with people over there. Some students were busy while clicking their own pictures & selfies which is totally inappropriate as it took them away from their main purpose of the visit.

Visit Report

(Visit at Baba Sawroop Old Age Home)

Students of B.Sc. Home Science, B.Voc. (Nutrition, Exercise and Health), Diploma ECCE and Certificate Course of Geriatric Care – Old Age Care and Nutrition from Kanya Maha Vidyalaya, Jalandhar have visited Baba Swaroop Singh Senior Citizen Home near Gulab Devi Hospital at Jalandhar on 17.02.2023. It was constructed in the year 2015, to provide home away from home to senior citizens who are staying alone as their children are in abroad or working in other cities. These students were accompanied by Dr. Rupika Chopra and Ms. Palak under social outreach programme. With this visit, KMV students came to know that the older people are the most vulnerable to suffer not only physically but also mentally and emotionally. It may also be painful, when the couple is childless and there is nobody to take care of them in old age. Not only this, it is traumatic when one partner leaves the world, leaving his or her spouse alone with nobody to share their sorrow. Students found that these kind senior citizen homes give the chance to live their lives happily once again to senior citizens. This endeavour is to bring smile and happiness back into the lives of elderly people.

a) What you have learned from this visit?

This visit taught me that we should not overthink about our personal problems and should move on in our life with a positive attitude.

b) Was it beneficial for you? If yes, how?

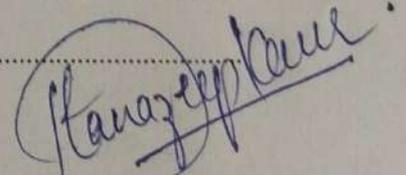

Yes, the visit was very useful. It taught me the real lessons of life that we should put in use like respecting our elders.

c) What was lacking during the visit? (For eg: Time Management, Bus Service, Teachers' Support etc.)

Time management was one and only issue as it was a kind of rush and hush activity.

d) Any Suggestions for improvement:

We should interact with elderly more.

Report

Students of B.Sc. Home Science and B.Voc. (Nutrition, Exercise and Health) of semester IV from Kanya Maha Vidyalaya, Jalandhar have visited Government High Secondary School, Arjun Singh Nagar, Kishanpura at Jalandhar on 24.04.2023. These students were accompanied by the teachers namely Ms. Palak and Ms. Shivani under social outreach programme. In school, KMV students taught them about hand washing techniques, healthy and unhealthy Food and menstruation awareness. For teaching hand washing techniques, the B.Sc. Home Science students guide those to Wash the hands properly with soap and water can help prevent the spread of the germs (like bacteria and viruses) that cause many diseases. The students from school voluntary participated in the activity. After that, the students of KMV teach pre-schoolers about healthy and unhealthy food and also explain them the importance of healthy food and infections caused by eating unhealthy food. Then adolescents girls were taught about the menstrual cycle, how and why they occur, it is normal and natural process, discussed some myths about the periods and problems occur during these days and also taught them menstrual hygiene and proper disposal of tampons or pads.

Visit Report

Apajah Ashram

Students of B.Sc. Home Science, B.Voc. (Nutrition, Exercise and Health), Diploma ECCE and Certificate Course of Geriatric Care – Old Age Care and Nutrition from Kanya Maha Vidyalaya, Jalandhar have visited Apajah Ashram, Near Hans Raj Maha Vidyalaya, Durga Colony at Jalandhar on 17.02.2023. This Ashram is a home for the old, infirm and for destitute people both men and women. Apajah Ashram provides all modern amenities of life like free boarding, free lodging and free medical aid etc. to all the inmates of ashram. Apajah Sahayak Sabha is a registered society registered with the Registrar of Firm & Societies (Punjab) India and Income Tax Department. These students were accompanied by Dr. Rupika Chopra and Ms. Palak under social outreach programme. The students of KMV interacted with the members of the Ashram related to their life and personal experiences over there and the reasons behind why they live in ashram. All the persons residing in the Apajah Ashram spend quality time with each other by enjoying and sharing emotions.
