### **Parent Teacher Meeting 2022-23**

#### **M. Sc. (Zoology)**

A parent-teacher meeting (PTM) is a crucial event where parents and teachers come together to discuss a student's progress, behavior, and any concerns or achievements. The purpose of such meetings is to foster communication and collaboration between educators and parents for the well-being and academic success of the students. The PTM was held on April 08, 23 at Dev Raj Hall of Kanya Maha Vidyalaya Jalandhar. The parents were informed telephonically as well as notice was shared. All the class in charges were present at the venue with academic performance of their respective students. Students and parents visited the venue and strengths and areas that need improvement were discussed with them. Test scores, assignments, and any notable achievements were also shared with them. The student's behavior in the classroom as well as interactions with peers was discussed with parents. Parents were allowed to ask questions or express concerns about their wards and all the queries related to the student's academic performance or well-being were addressed. Finally feedback was taken from the parents. Teachers also expressed gratitude for the parents' involvement in their child's education.
