### **Report**

## **Alumni Talk and Career Counselling Session by Ms. Shruti Verma**

PG Department of Mathematics organised Alumni talk - An Inspiration for the students of B.Sc( Eco), B.Sc (Hons) Mathematics and M.Sc ( Mathematics). Under this a Seminar and Carrer Counselling Session on the role of Mathematics and Statistics in Risk Management was conducted. Ms. Shruti Verma, Manager at Integrated Risk Management Division, Head Office Punjab National Bank, New Delhi was the Resource person of this talk. Ms. Shruti Verma was the Alumni of PG Department of Mathematics, KMV. She completed her Bachelor of Science in Economics in 2008 and Master of Science in Mathematics in 2010. Immediately after that she joined the Department of Mathematics, KMV as a Lecturer. But in order to pursue her aim to be a Bank Officer, She cleared Bank exam and got the scale-I officer Rank for PNB, New Delhi. Now a days she is promoted as a Risk Integrated Manager in the main Branch of PNB, New Delhi.

Ms. Shruti Verma interacted with the students of Mathematics and Economics. In her talk , she said the importance and application of Mathematics in every sphere of life. She emphasised the role of Mathematics and Statistics in the field of risk management. She averred that Risk management is the process of identifying , assessing and controlling financial , legal , strategic and security risk to an organisation capital and earning. To reduce risk , an organisation needs to apply resources to minimum , monitor and control the impact of negative events while maximising positive events. She also explained that the Statistical techniques can be used for Risk Management in Banking and Business in several ways. So at the end she counselled regarding the different fields of Mathematics that Students can opt after graduation and Post graduation in Economics, Statistics and Mathematics.
