Report

Trip to Dept. of Mathematics NIT , Jalandhar

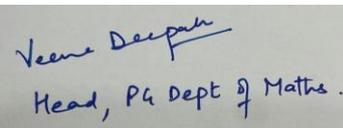

PG Department of Mathematics organised one day educational tour to the dept. of Mathematics , NIT Jalandhar. 27 students of M.Sc (Mathematics) and B.Sc (Hons.) Mathematics visited Mathematical lab of Dept. of Mathematics , NIT Jalandhar . The purpose of this visit was to create interest among students for taking research projects in mathematics and how to operate MATLAB. At NIT, a session of counselling was conducted by Dr. R.R Sinha , Associate Professor , Dept. of Mathematics . He guided the students about the importance of Research work in Mathematics and its different career aspects in IIT's , NIT's ,IISER's ,IIM's and research institute in Abroad . After that a workshop on MATLAB was directed by a Dr. Shivraj. He told that MATLAB is a high level programming language designed for Engineers and Scientist that expresses Matrix and Array Mathematics directly. MATALB can be used for everything for running simple integrative commands to developing large scale applications like Coding to Matrix . He Demonstrated how a sentence can be changed into a code using matrices.

At the end the head of department of NIT Jalandhar Dr. Damanjit Kaur , Dr. Jaspal Singh Aujla (Professor) , Dr. Geeta Pratap (Associate Professor) ,other faculty members and research scholars of NIT interacted with the students regarding the diversity of activities and research in the field of Mathematics

The trip had proven to be highly motivating for investigating and questioning among the students .

Ms. Anand Prabha (Assistant Professor in Dept. of Mathematics) , Dr. Monika (Assistant Professor in Dept. of Mathematics) , and Miss Nidhi (Lecturer in Mathematics) Accompanied the students

Madam principle congratulated Mrs. Veena Deepak , Head PG Department of Mathematics for organising purposeful educational trip.
