Mr. Nayyar stressed on the importance of being updated about the business market and highlighted the importance of identifying customer needs and wants by an entrepreneur. He emphasized that one should not afraid in start and risk-taking behaviour is the key to be a successful entrepreneur.

The session concluded after a question and answer session, in which students interacted with the resource person to learn different aspects of being an entrepreneur. Mr. Nayyar hoped that many students will be motivated to come up with ideas and start their own businesses. The students asked many questions about her business and cleared their doubts. It was an interactive session with valuable takeaways for all. Overall the session was highly informative & motivating for the students.
