Celebrating 138 Glorious Years of Excellence

Department of Social Outreach

From the Principal's Desk

Founded in the late 19th Century with a strong missionary fervour and a strong desire to improve society, KMV has led the way not only in the area of women education but also actively participated in national movement and worked to instill a social conscience in its students. KMV has reached out to the rural residents in the surrounding areas in addition to the city, taking a stand against many social problems that bedevil our society. Our students will have a deeper comprehension of the socioeconomic and environmental circumstances of rural India through the many programmes we provide. We have a full schedule of social outreach events, which includes competitions, workshops on and off campus, and donation drives.

Our outreach program's primary goal is to enhance education, encourage civic involvement for health and welfare, and build stronger communities by attending to their societal needs. KMV works to accomplish this goal through a number of year-round programmes offered in the city and villages through its active Social Outreach Department.

The purpose of this newsletter is to support the social outreach initiatives that this illustrious institution's teachers and students have been engaged in this year.

Prof. (Dr.) Atima Sharma Dwivedi
Principal, KMV

Aims and Thrust Areas of Community Engagement

The Social outreach activities at KMV are geared towards raising awareness and introducing students to a wide range of issues plaguing our society, and providing them an opportunity to work at the grass root level. Through this newsletter I am delighted to share the highlights of the social outreach initiatives undertaken by the faculty and student during the session 2022-23, KMV reached out through various programmes in the field of education, women empowerment, environment protection and sustainability, old age homes, orphanages, Pinglaghar etc. A number of Nukkad Nataks on various social themes were also enacted by our students in the city and villages. The members of the social outreach team along with other departments has been involved in these programs throughout the year. We credit our contribution to our esteemed principal, Dr. Atima Sharma Dwivedi, who serves as the inspiration for each and every project.

Dr. Monica Sharma
Dean Social Outreach

Social Outreach Value Added Programme

To inculcate a sense of responsibility among the students towards various social issues, KMV has started social outreach as a value added programme. It proposes to equip the students for community upliftment work. The social outreach value added program initiated by a motivating presentation by Principal Dr. Atima Sharma Dwivedi who has introduced such pioneering programmes in the region. This is followed by Lectures by Various resource Persons, who introduced the areas in which students can undertake projects:- Literacy Drive, Environment Protection and Sustainability, Medical camps, Food Adulteration Camps, Running Empathy Corners, Visits to Pingalwaras, Orphanages and Old Age Homes, Spreading Awareness through social media(uploading short videos), spreading social awareness through Nukkad Nataks.

Literacy Drive Programmes in Villages and Labour Colonies

Students of Department of History visited the Banarasi Dass Charitable School, Transport Nagar on 17-11-2022, where the students and teachers interacted with the children. Stationery and eatable items were distributed to the students.

40 Desks along with the stationery were donated for the students of Banarasi Dass Charitable School in Transport Nagar, Jalandhar. KMV adopted this school in 2008.

Department of History and Sociology along with students went to the slum located near Maqsudun, Jalandhar on Amritsar Highway on 12-2-2023. Food, stationery and clothes were distributed to the children residing here.

Literacy Camps in Various Schools of the District

The Social Outreach Department organised various awareness camps in different schools of district during the year for educating the children.

Camp at Government Senior Secondary School, Santokhpura, Jalandhar on 2-3-2023

Department of Bio-Technology organised a "Food Adulteration Camp" in Gymnasium, near botanical garden, KMV under Social outreach Programme on 28-2-2023. Students performed testing of many food items like milk, butter, spices, organic honey etc and gave awareness about different commonly used food adulterants and their deleterious effects on our body to the Non - Teaching staff members and their family members.

Empathy Corner

KMV started the Empathy Corner outside the college gate in 2015. The main motive was to inculcate the sentiments of empathy towards the under privileged among the students through donation of clothes, shoes, utensils & toys etc. The faculty and students of department have worked enthusiastically to make it a success. Each department of the college with their student volunteers take turns to run the corner. The labor, rickshaw pullers and other needy people flock to the empathy corner every day. KMV Empathy Corners are also set up by the students in their villages and neighborhood areas in the City.
