

Employer's Feedback on Curriculum

2022-23

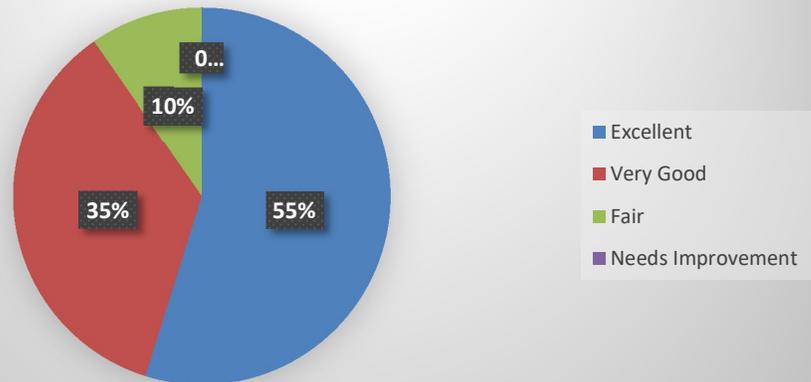

Kanya Maha Vidyalaya values the feedback of employers on the curriculum. Every year KMV organizes an academia-industry meet. The theme for this year's Meet was 'Campus to Career -Exploring Latest Skill Trends'. 33 Industry experts related to different industries participated in the meeting. A structured questionnaire has got filled from 31 employers.

- Seventy- seven percent of employers find the curriculum of their concerned subjects extremely helpful in developing requisite skills and knowledge among students and twenty- three percent of employers find it very somewhat helpful.

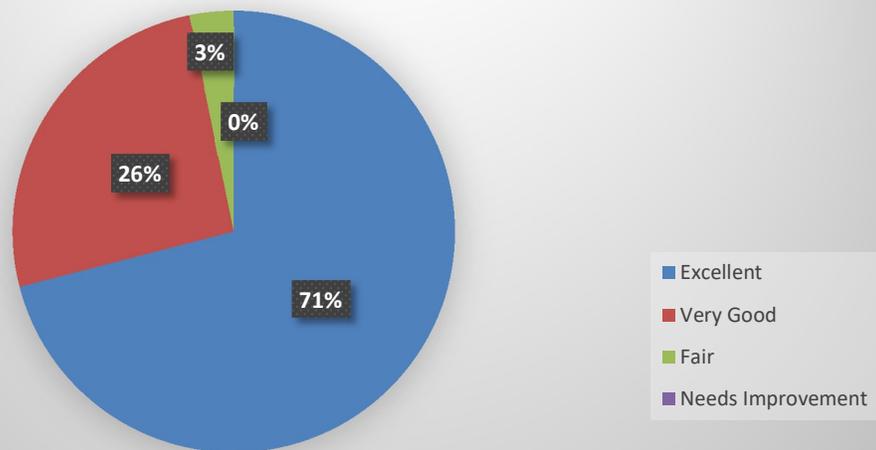

- Fifty-five percent of employers are highly satisfied with the curriculum in meeting the expectations of the industry and thirty –five percent are satisfied.
