

# **Shaheed Bhagat Singh Professional Travel Bursary**

## **Sponsored by Varshneya**

### **1. Scope**

The **Shaheed Bhagat Singh Professional Travel Bursary**, sponsored by **Varshneya**, provides financial assistance to science students of **Kanya Maha Vidyalaya (KMV)** in relation to professional travel. Such travel may be for presenting a research paper at a **national scientific event** (conference, seminar, workshop, etc.) or for attending **training programs, internships, short-term schools, and workshops within India**. In all cases, a financial need must be demonstrated.

**Preference** will be given to conferences and internships focused on **glass science**, though other areas of **materials science and physics** will also be considered.

### **2. Eligibility**

To qualify for the bursary, applicants must:

- Be a **B.Sc./M.Sc. (FYIP) Physics student** or a **Project Scholar** at **Kanya Maha Vidyalaya**.
- Be actively engaged in **research and development (R&D) work**.
- May have an official **invitation to present an original scientific paper** at a conference.
- May have an official **invitation for training programs, short-term courses, summer/winter schools, workshops, or internships**.
