Report

PG Department of Zoology, KMV organized an e-talk on "Potential & Prospects of Apiculture in India"

Date - 30th, Aug, 2022

P G Dept of Zoology of Kanya Maha Vidyalaya, Jalandhar conducted an e-talk on the topic "Potential & Prospects of Apiculture in India" by Dr Pardeep Kumar Chhuneja, Professor Department of Entomology, Punjab Agriculture University, Ludhiana. Dr. Chhuneja started his lecture with the introduction to Apiculture and briefed about their diversity, distribution and life cycle. The speaker highlighted the fact that beekeeping is highly rewarding, needs low initial investment, least time, is labour intensive and involves negligible expenses. Dr. Chhuneja also highlighted the fact that Punjab is the largest honey exporter state in the country having 47 countries as eager importers of its quality produce. He also discussed the emerging problems in apiculture in India and also highlighted the significance of various bee products. The event ended with a healthy discussion and the vote of thanks by Head of the Department, Mrs. Sadhana Tandon. The lecture was very enlightening, informative and useful for all the participants and there were almost 90 student participants.

Professor (Dr) Atima Sharma Dwivedi, Principal KMV, College appreciated the contribution of the students and congratulated the faculty of the PG Department of Zoology for organizing the event.

A handwritten signature in blue ink, appearing to read 'Dwivedi', is written over a horizontal line.

Startup Legal and Ethical issues

May 3, 2023

OBJECTIVE: To make participants understand the process of innovation development and startup and how they can convert their idea into a successful programs.

BENEFITS OF LEARNING: The participants were able to:

- Understand the legal and regulatory landscape specific to the green industry and startups.
- Identify key legal requirements, permits, licenses, and certifications necessary for operating a green startup.
- Explore ethical considerations and best practices for maintaining environmental sustainability and social responsibility.
- Discuss intellectual property protection and strategies for safeguarding your innovations and ideas.

P.G Dept of Zoology of Kanya Maha Vidyalaya, Jalandhar in collaboration with Institution's Innovative Council organised talk on Startup Legal and Ethical issues. The session was conducted by Dr Mandeep Kaur, Assistant professor, Kanya Maha Vidyalaya Jalandhar on May 3, 2023. It was an interactive session where the resource person interacted with the students and talked about startup and related issues. Dr. Mandeep shared her insights regarding the ways in which the market research should be done. She mentioned that the problem statement is what leads to idea generation, Dr. Mandeep mentioned that the larger the scale of the problem and the scope, the larger is the chances of growth and market for a Startup. Further she discussed about the skillful team composition for a startup, finances, sales / marketing. She talked about need of legal person from the beginning stage of startup, however the legal service can be hired/outsourced. She explained the importance of financial management and how the funds are to be managed in a Startup. Examples of startup ethics were given to make participants understand the importance of startup ethics. The students participated very enthusiastically in this session with many questions which were answered by Dr Mandeep. Overall, it was a very interactive session.
