Subject: Permission for hostellers to visit to Tiwana Bee Farm Ludhiana

Respected madam

It is submitted to your kind notice that PG Department of Zoology is organizing one day visit to Tiwana Bee Farm Ludhiana i.e. 16.11.2022 as per requirements of curriculum. Kindly allow the hostellers students to visit the above said.

Yours Sincerely

Mrs Sadhana Tandon

Head

PG Department of Zoology

KMV Jalandhar

Dated: 14-11-2022

Activity 1

1. Date of program: Nov 16, 2022
2. Title/Theme of the Program: Visit to Tiwana Bee Farm, Doraha
3. Program for the benefit of: To give knowledge about the bee keeping.
4. Objective: To understand applied value of zoology.
5. Venue of the program: Tiwana Bee Farm Doraha

The students M. Sc. Zoology Sem I and III visited Tiwana Fee farm, Doraha on 16.11.2022 under the supervision of Dr. Archana Saini and Ms Lipsa. The students visited bee keeping area and honey processing unit. Mr Jaswant Singh, owner of bee farm described about different methods used for Apiculture. The students also learned about different machinery used for Apiculture. He also explained about type of plants required for bee farming and problems associated with bee keeping. The students also learned about new advances in Apiculture. Mr Jaswant Singh also told his success story of entrepreneursh in bee keeping to the students.

Educational Visit to PIMS, Jalandhar

(Session 2022-2023)

Name: Navpreet Kaur

Class: B.Sc Medical sem 6

1) What part of demonstration did you find most interesting/beneficial?

Pathology Lab demonstration by Miss. Sweta Mam
I found it most interesting as I got opportunity to see
various models, defected organ specimen etc.

2) Was there any material that you have liked included in the visit that was not covered?

No, almost every material such as for blood
donation equipments, biochemistry lab equipments like
centrifugation, spectrophotometer and models of gram+
and gram- bacteria.

3) What other specific labs would you like to visit?

I would like to visit clinical lab and
surgical lab.

4) Any comments/ feedback.

It was really very interesting trip and I get
information educational trip about blood donation process,
pathology and microbiology lab.

Navpreet

Educational Visit to PIMS, Jalandhar

(Session 2022-2023)

Name: Sija

Class: BSC Med Sem 6

1) What part of demonstration did you find most interesting/beneficial?

Pathology department was very interesting and beneficial. I got opportunity to see various defected specimen.

2) Was there any material that you have liked included in the visit that was not covered?

NO, almost every lab or departments are covered.

3) What other specific labs would you like to visit?

I would like to visit clinical lab and surgical lab.

4) Any comments/ feedback.

It was very interesting. I got information about various equipments of blood at blood centre, biochemistry lab and pathology lab.

Sija

Department Of Zoology

Educational Visit to PIMS, Jalandhar

(Session 2022-2023)

Name: Mustaran Kaur

Class: B.sc medical Sem 6

1) What part of demonstration did you find most interesting/beneficial?

Blood centre and Pathogen lab.

2) Was there any material that you have liked included in the visit that was not covered?

No, ^{because} every material that I have liked included in the visit.

3) What other specific labs would you like to visit?

Surgeries lab, OT Theatre, Biochemistry lab, Biotechnology lab.
Elisa Test lab, Protozoan lab (models).

4) Any comments/ feedback.

It was very knowledgeable and educational trip.
~~to~~ There was different pathogens organs, I have seen first time in my life in pathogen lab.
