## Institution's Innovation Council

### REPORT

#### Workshop on Business Plan for Green Industry

May 5, 2023

**OBJECTIVE:** To create a comprehensive understanding of the green industry, its current trends, and its potential for growth. To explore the various sectors within the green industry and identify opportunities for business development.

**BENEFITS OF LEARNING:** The participants were able to:

- Understand the essential components of a business plan and their significance.
- Identify key factors to consider when developing a business plan for the green industry.
- Understand the financial aspects of starting and operating a green business.
- Explore potential funding sources and investment opportunities for green ventures.
- Understand the legal and regulatory framework specific to the green industry.
- Identify permits, certifications, and compliance requirements necessary for operating a sustainable business.

P.G. Department of Botany in association with Institution's innovation council organizes a workshop on "Business Plan for Green Industry". On day 1, poster making competition was organised for creating awareness about green industry business. On day 2, lectures was organised on Business Plan for Green Industry and business and sustainability. Resource person for the workshop was Mrs. Shikha Vashisht, Assistant Professor, Department of Botany, Kanya Maha Vidyalaya, Jalandhar. The workshop on "Business Plan for Green Industry" was organized with the aim of raising awareness among students about sustainable and environmentally friendly business practices. The main aim of the workshop was to educate students about the importance of sustainable business practices and their role in addressing environmental challenges. The resource person discussed various aspects of green industry, including renewable energy, waste management, eco-friendly products, and green supply chains.

P.G. Department of Zoology in association with Institution's Innovation Council organizes a workshop on "Business Plan for Green Industry". Resource person for the

workshop was Dr Mandeep Kaur, Assistant Professor, Department of Zoology, Kanya Maha Vidyalaya, Jalandhar. The resource person discussed various aspects of sustainability and business. Further resource person highlighted the greenwashing by the companies and ways of greenwashing.

The workshop included interactive session where students actively participated in discussions, case studies, and group activities. These sessions encouraged brainstorming, critical thinking, and collaboration among the participants. The "Business Plan for Green Industry" workshop provided students with valuable insights and tools to develop sustainable business plans. By fostering awareness, knowledge, and entrepreneurial inspiration, the workshop played a significant role in shaping the next generation of environmentally conscious entrepreneurs.
